Prof. R. W. MacVicar Speaks on Vietnam

The great need for education in the Far East to give the people a broader outlook on their position in world affairs was stressed Tuesday night by Prof. Robert W. MacVicar, vice-president of academic affairs at Southern Illinois University-Southwestern campus.

Prof. MacVicar was the principal speaker at the third in a series of informative meetings sponsored by the SIU Liaison Committee of the Tri-Cities Chambers of Commerce. The affair, a dinner meeting beginning at 6:30 p.m., was held in the River Rooms of the University Center on the Southwestern campus.

Sixty-nine Chamber of Commerce members and guests attended. The sessions have been held bi-monthly to present first hand information on various current topics. Prof. MacVicar recently returned from a trip to Vietnam and the surrounding territory.

The next session will be scheduled in September.

Husband of Former Granite Cityan is Killed in Vietnam

Full military services were held today in Alton for Warrant Officer First Class Frederick H. Elizondo, 29, husband of Mrs. Linda Sigite Elizondo, a former Granite City resident. The serviceman was killed June 6 in a helicopter crash in Vietnam.

A helicopter pilot with the 227th Regiment of the First Air Cavalry, WO Elizondo was killed when his machine was struck by enemy fire, causing it to crash, as it approached a landing zone near Anhe Khe.

Although having served in Vietnam for only two months, the Alton youth had received two Air Medals for meritorious service. He and the former Miss Sigite were married Nov. 26, 1966, at Fort Rucker, Ala.

WO Elizondo was a graduate of Alton high school and had attended Southern Illinois University-Southwestern campus.

Besides his wife, also surviving are his parents, Mr. and Mrs. Frederick C. Elizondo of Alton; a paternal step-grandfather, Salvador Mendoza of St. Louis, and maternal grandparents, Mr. and Mrs. Herman Grindstaff of Elizabethton, Tenn.

Mrs. Elizondo is a granddaughter of Mr. and Mrs. John Sigite sr., 2918 Denver avenue, and Mrs. Fern SansSoucie, 2123 Ohio avenue.

Local Practical Nurses

Training at Alton State

"Alton State Hospital began affiliation early this month with practical nurse students from Alton Vocational School of Practical Nursing in Alton." Katherine Quinn, director of in-service nursing education, announced today.

The affiliation conducted by Nursing In-Service in nursing is designed to give the practical nurse student an experience in mental health nursing. During the four-week training period, the students will receive 160 hours of classroom instruction in theories of mental health with the remaining time spent in clinical experience. Classroom and clinical instruction for this group will be provided by Nursing In-Service instructor Twyla Zerwas.

Students in this group include: Patricia Baumberger, 2418 Woodlawn avenue; Jane Hosak, 2002 Cottage avenue; Ann Meisick, 2624 Saratoga avenue; Joyce Miller, 1 Rose Lane, and Shirley George W. Lipscomb, Moose governor, who said that extensive remodeling of the new quarters still is under way.

Moose Lodge 272 Moves Into New Building Here

The new Moose building has 7400 square feet of floor space all of which is located on the ground level, Lipscomb pointed out. Parking facilities are located behind the structure on the corner of 10th and Benton streets.

Women of the Moose Chapter 247 held an Academy of Friendship meeting in the new building last evening and the men's lodge plans its regular weekly session in the building tonight.

T. A. Bell, lodge secretary, said today he expects to establish his office in the new quarters this weekend. Lipscomb reported an open house for members and their guests is being planned. No date has yet been planned.

MORE ABOUT GC School

relates that "a number of vested pressure groups, many of them commercial and outside of education, are trying to force the IHSA to amend its rules."

Viva La Difference

The local report relates that "we believe there should be a difference between sports for girls and sports for boys, both in content and conduct."

"We feel we now have an exemplary program, based on number of participants both during and after school."

"We feel the concomitant activities we sponsor—May Day, Junior and Senior Leadership clubs, mother-and-daughter banquets, reversal dance, cheerleaders, Red Poppers, etc.—are more valuable to the majority of secondary school girls than is any type of varsity competition."

"We further believe that it is essential that the program encourage development of a feminine image." We question the extent to which that can be maintained with a varsity-type program. Very few parents really want their daughter to be subject to this type of thing.

"All of our women teachers have indicated they would not want a life of coaching, scouting or officiating that is contrary to their personal philosophy of 'women's sports.' If the proposed varsity competition program goes through there is every reason to believe that these tasks will soon be taken over by men."

Principals Vs. Politicians

"We support the present IHSA structure because all control rests with the principals—one vote for each school. Legislators who resent this school control have instigated an investigation of IHSA, hopeful of getting these activities into the more politically accessible office of the Illinois superintendent of public instruction. Prime witnesses have been women trying to force the interscholastic issue."

"In the policy statement you will note the emphasis given the word 'scheduled' in referring to scheduled interschool competition. It is the conference-championship type of program we wish to avoid."

Testimony heard by a special legislative committee at Springfield this spring included allegations of discrimination against girls.

Miss Marian Kneer of East Peoria high school, chairman of the Illinois Division for Girls and Women's Sports, told the House-Senate committee the four-sport limit in the 40-year-old IHSA constitution is unfair to

the fair sex.

Volleyball, Track, Basketball. She urged that girls also be allowed to compete in volleyball, softball, basketball and track. Touch football also is among the sports being mentioned.

"My feelings are that the IHSA is protecting the boys' sports program," she testified. Because the association is run by men, "there's a vested interest there," she added.

Albert Willis, IHSA executive secretary, testified he "would go along with any program to improve the athletic program in Illinois" but declined to say whether his group would submit to a study by a commission of public members, principals and IHSA representatives. Answering Miss Kneer, he said, "The only position I can take is to tell these women to go to their high school principals and get them to vote for a change in the rules."

Sen. William Lyons (D, Gillespie), a critic of the IHSA, noted that women can compete in the Olympics and in collegiate sports but not in some high school sports.

Rep. Frank P. North (R, Rockford) asked Miss Kneer, "Isn't it true the IHSA is dominated by smaller schools and that's why you're not getting representation?" She told the committee a survey has shown that many larger schools favor more athletics for girls.

Members of the IHSA board of directors are elected from districts. In each district, each high school principal gets one vote, regardless of enrollment size.

Local Policy

Text of Granite City schools' new policy on varsity sports for girls follows:

POLICY: The Department of Physical Education for Girls in the District No. 9 junior and senior high schools will schedule interschool competition in either team or individual sports with schools from without the school district.

They will issue and accept invitations for play days and matches in individual activities that are approved by the Illinois High School Association when the administration responsible for the department believes it would be beneficial to the students to participate.

REASONS:

1. The physical education instructional and intramural programs for girls in the Granite City schools are based on the developmental pattern of the adolescent girl and her full acceptance of her feminine role in our society.

2. We believe in concentrating our efforts on giving all girls a wholesome well-rounded program of sports. When this department has developed an intramural program in which the majority of girls can and do participate as frequently as they care to, then and only then will it be justifiable to engage in scheduled interschool competition.

Priority in the curriculum shall be given as follows:

- a. Required instructional class program.
- b. After-school intramural interschool program within each building.
- c. Coordinated program between all secondary schools within this district.
- d. Play days, GAA workshops, Illinois High School Association activities.
- e. Departmentally - controlled invitational events in approved IHSA activities with neighboring schools which practice similar philosophies.

Serve All Ability Levels

1. The required instructional and intramural programs are arranged as far as possible to provide activities for girls of all ability levels, including the highly skilled or gifted in sports.
2. Opportunities available in the park district program and in the specialized programs in swimming, track, softball, etc., available in the greater St. Louis area can be care of the needs of any girl who desires a career as an Olympic-caliber or professional athlete.

4. We have proved through our program of many years standing that interschool competition is not necessary to encourage interest in sports and competitive activities among the girls at Granite City high school.

5. The hazards and expense of running a program of interschool competition are too great for this department to handle adequately at the present time. The phases to be considered are facilities, insurance, travel, coaching, supervision of crowds, officiating, increased clerical work, custodial work.

6. We as a staff unanimously support the existing program of the Illinois High School Association which does not sanction interscholastic competition for girls among Illinois high schools except in the following activities: archery, badminton, tennis and golf. We favor no change in this rule at the present time.

7. At the senior high school, operating a program 60-75 minutes after school each afternoon each week and involving all staff members a minimum of two afternoons each week, we are forced (by virtue of number of participants) to limit each student to one afternoon in any one activity in any one week during the winter months when indoor facilities only may be used.

In the fall and spring, as many as four different activities operate each night with 200 or more girls participating each night. We have neither the staff, facilities nor time to add an interscholastic program that will serve only the gifted few.

300 Drown in Illinois Each Year; Safety Rules Listed

Don't go near the water if you are going to show off, drink alcohol, display overconfidence in your swimming, or exhibit plain preservers.

Each year some 300 persons drown in Illinois lakes, rivers and pools because they failed to heed the necessary precautions against accidental drowning.

In a recent study conducted by the Illinois Department of Public Health, it was found that overconfidence in ability to swim distances, showing off, and swimming alone in unsupervised areas were significant factors in drownings, even when the victim was considered a good swimmer.

Teenage Boys Chief Victims
Teenage boys who are trying to impress someone are frequent victims listed in the drowning statistics.

Most of the casualties were males and almost half of the victims were under 20 years of age. In one recent 12-month period for which the figures have been analyzed, of 299 drownings, 258 were male and 41 female.

Lakes, rivers and other public places claimed the most lives, 175. Small boat accidents accounted for 52. Of the 22 who were drowned at home, either in a pool or some other container of water, 13 were under five years of age.

One of the most tragic facts

to come out of the study was that none of those who perished in boating accidents wore life preservers.

Steps to Remember
Here are some important steps you can follow to insure a happy summer of swimming:

Don't swim alone.

Don't swim at a beach or pool that is posted as dangerous.

Don't dive into strange waters where rock or stumps may be concealed.

Don't swim out beyond your ability to come back.

Don't jump into extremely cold water or swim immediately after a meal.

Don't allow small children to swim by themselves.

Don't let children float into deep water on wings or inflated toys.

Wear a life preserver in a boat even if you are a good swimmer.

Auto Backs into Truck

After an auto driven by Milford L. Jones, St. Louis, pulled around a tractor-trailer truck driven by Ernie W. Owens, Gasconade, Mo., at 18th street and the railroad tracks, his path was blocked by another vehicle at 4:40 p.m. Tuesday. The auto then buckled into the front of the truck.

Cockrell Named YMCA Physical Program Director

Appointment of Forrest Cockrell of Alton as YMCA physical program director here was announced Tuesday by William L. Harris, president of the YMCA board.

Cockrell's responsibilities as physical education specialist will include continuance of the YMCA's emphasis on youth programs and development of additional programming for adults. Cockrell has been serving as an interim staff member since May 15. He succeeds Michael Jessee, who resigned to return to school on a full-time basis.

The new physical program director received a bachelor of education degree from Illinois State University, Normal, and a master of arts degree from Colorado State, Greeley, Colo. He brings many years of program and administration experience to the Granite City staff. He has served YMCAs in Peoria and Los Angeles as well as Alton, where his position was executive director.

Cockrell is married and has three children, a daughter and son who are married and another daughter who is a senior at SIU-SW.

REASONS:

1. The physical education instructional and intramural programs for girls in the Granite City schools are based on the developmental pattern of the adolescent girl and her full acceptance of her feminine role in our society.

New GC, Madison Tax Rate Limits Sent to Governor

The Illinois House on Monday passed and sent to Gov. Kerner a group of several dozen bills, many of which will affect local governments. The action marks the first major revision of property tax ceilings in 22 years.

Even if signed into law, the new limits are not mandatory; taxing bodies need not utilize them fully. Existing rates in excess of the new limits may continue at the higher levels.

General city rates can reach 26 cents per \$100 assessed valuation under the legislation, passed by the Senate in March. Each rates (1960) announced this spring for 1967 tax collection, were 14.2 cents for Granite City, 14.7 cents for Madison and 33.3 cents for Venice.

Because their general rates now are under 20 cents, Granite City and Madison could advance to more than half the way to a 25-cent rate in any one year. Venice's new limit would be 33.3 cents. By referendum, these rates eventually could reach 47.5 cents under the new law.

Madison county can go to a ten-cent general rate instead of the present combination of a for-ten-cent and a series of annual increases, presently totaling 8.7 cents; its 1966 general rate is eight cents. This particular bill already has been signed. This county's highway rate could rise from 5.18 cents to 10 cents. Venice could raise its garbage collection rate 1.06 cents, from 8.94 to 10 cents. Present Venice municipal rates of 10.17 cents for streets, 15.3 cents for fire-fighting and 15 cents for police exceed the proposed limits and could continue.

Potential Madison city rate changes include the public benefits fund, 1.71 to five cents, up 3.29 cents, and police, 7.5 cents to 10 cents, up 2.5 cents. Madison rates of 10.06 cents for streets and 7.67 cents for playgrounds and recreation would become the new ceilings. Granite City's garbage tax could go from 8.25 cents to 10 cents. Its 16-cent fire protection tax could continue.

Two Graduate Courses In Business at SIU-SW

Two new graduate courses in business will be offered during the summer quarter at Southern Illinois University-Southwestern campus.

Leading to the master of business administration degree, the two classes will meet Monday and Wednesday evenings in the Peck Building, beginning June 19. They are Business Administration 502, covering business and society, and Management 451 involving methods of quantitative analysis.

Several Groups Join To Seek EPA Park Funds

Several organizations in Eagle Park Acres are joining forces for development of a five-acre tract donated last year for recreation and a solicitation for funds is to be renewed. The Press-Record was advised Tuesday by Joseph Roberts, committee chairman for Precinct Three, and Miss Jackie Simpson, a Vista (Volunteers in Service to America) worker assigned to the area.

Cleveland L. Johnson, president of the Eagle Park Improvement Association, said that he was unaware last week of the solicitation for funds and work tools by the Ladies Auxiliary and the Youth Organization of Eagle Park, and has since advised them it would be proper to register with the Chamber of Commerce before proceeding with community-wide solicitation.

Miss Simpson explained that the park's federal funds, Vista must provide in-service programs for credits and that the Eagle Park is eager to get the playground functioning. She said funds collected are being handled by Mrs. Beatrice Mosby of Terry street.

Roberts commented that in his opinion the Improvement Association is presently inactive. However, Johnson pointed out he has been accumulating building materials for construction of a community meeting place and rest rooms at the park site.

Under the Vista program for the Neighborhood Youth Corps, Miss Simpson said any funds received would be used to purchase equipment, such as rakes, shovels, lumber, wire, brooms and other materials to conduct the campaign at the community park.

Allen, 38, of 2708 West 20th street, and then bounced into a third driven by Mrs. Edna Case, 53, of 2215 Lynch avenue, Monday at 24th street and Madison avenue.

Allen and Gersbacher were admitted to St. Elizabeth Hospital and Gersbacher received x-rays to the face and right knee. Mrs. Case, who bumped her left leg and ankle, was treated and released. Gersbacher was charged with driving without a license.

Nelson Crane, 46, of 3124 Cottage avenue, had x-rays taken of the right shoulder at 2:40 p.m. Monday at St. Elizabeth Hospital. He complained of pains since an auto accident about two weeks ago.

Floral Driver Hurt

Theodore Staiger, 57, of Collinsville, driver of a van owned by Home Nursery, suffered minor injuries when the van struck the left side of an auto driven by Fred W. Herrod, 1833 Fifth street, Madison, at 12:28 p.m. Tuesday at 18th street and Cleveland Blvd. Staiger was charged with a right-of-way violation with a control present.

Everett J. Polite, 44, DeSoto, Mo., was treated at St. Elizabeth Hospital Monday for chest injuries suffered in a two-car collision at Klein and Brown streets in Venice. Police reported the accident occurred when Polite stopped on Brown street at Klein for a traffic sign and was struck from the rear by a car driven by William H. Thompson of East St. Louis. Polite's car was damaged in the rear and the Thompson auto in the front. Polite was released from the hospital after treatment.

Otto Heilman, 40, of St. Louis, was injured when he lost control of his auto and it overturned while going off of Interstate 270 ramp onto Highway 150 at 3:15 p.m. Tuesday. He was taken to St. Elizabeth Hospital where he was treated for lacerations to his forehead and abrasions to his nose.

John Berch, 22, and his wife, Gisela, 20, received x-rays Monday at St. Elizabeth Hospital for injuries sustained in an auto accident. She suffered right knee

use the plant, and that adoption of the program will depend to a large extent upon the potential volume of waste that would go into such a plant.

Present plans call for construction of a plant that would handle 300 tons of waste per day. If the capacity was available at other communities within the district were given an opportunity to participate in the program, services of the plant could be offered to communities outside the district, Rantl pointed out.

The plan advanced by MacDonald provides for payment on a pro-rated basis of 25% of the profits on sale of salvage and by-products to communities or other taxing districts participating in the plant operation.

Discussed at Meeting
The program was discussed by the Port Board in regular meeting Monday night in which the board also approved amendments to the V. K. & Associates accountants to prepare the authority's annual financial statement.

The board also arranged for redemption of a \$5000 bond in July, representing the first principal payment on a \$750,000 bond issue to finance tank installations at the port on the riverfront.

Rantl said that he and representatives of Union Electric Co. will meet in Springfield next Tuesday with officials of the Illinois Department of Conservation to outline proposed plans for the 900-acre industrial park under Port district supervision in Chouteau and Nameoki townships.

The plans primarily will involve the district's program for construction of additional docking facilities on government-owned land in Chouteau township.

Summer Freshman Class Starts Mon. at SIU-SW

More than 100 summer quarter freshmen have been invited to take part in New Student Orientation at Southern Illinois University-Southwestern campus next Monday. The new quarter will open with evening classes on Tuesday.

Events for the day will begin at 8:30 a.m. with registration in the new University Center. A 9 a.m. Robert Reed, director of student activities, will give a welcoming speech to the new students, followed by a 30-minute film entitled "I Wish I Knew That Before I Went to College." The film is designed to help students get off on the right foot and depicts instances in which insufficient preparation for college life has caused unnecessary trouble.

At 9:45 a.m. a reception will be held, followed by a panel discussion to help orient freshmen to the SIU environment. Members of the panel will be student leaders representing various student activities and services of the University.

Campus tours beginning at noon will complete the orientation activities.

Small Groups to Give Blood at Joint Center

Plans for a late July blood collection center in which several small organizations will be grouped were made by Red Cross directors at a monthly board meeting Tuesday afternoon, held at the Trust & Savings Bank.

It is necessary to have at least 125 donors to fully utilize collection facilities and personnel for one day, but this does not limit the program to large firms and organizations, Floyd T. Mitchell, blood committee chairman, noted. Instead, on some occasions smaller groups will jointly give blood, he said.

A central location for such blood centers has not yet been selected. Organizational blood contributions by 25% of the membership provide a year's protection of blood needs of not only all members but their families as well.

Chapter Chairman Jack Absalom reported that many Quad-Cityans are receiving first-aid training and that the aquatic program also is flourishing. Attendance by up to three persons at a regional aquatic school this summer was authorized.

Mrs. Ruby Overbeck, executive secretary, said service to military families totaled 225 contacts in April and May, with monetary assistance amounting to \$520.

Finances and an annual audit were discussed, and the July 11 meeting was set for the First Granite City National Bank.

Ten Puppies Are Born To Pet Dalmatian Here

An unusually large number of Dalmatian puppies, ten, has been born to "Bunny," the pet dog of Mrs. Dorothy Copeland, No. 24 Bradley, she reported this week. Such a large litter is regarded as rare.

Despite the unexpected number of puppies, now six days old, most have been claimed, by friends and relatives of the family. Eight are male and two are female.

Conduct Hearing Set

A magistrate's hearing was scheduled for Friday for Carl Wayne Shinn, 26, of East St. Louis, in the Granite City court on charges of intoxication and indecent conduct. He was arrested early Monday at the Park-N-Eat restaurant, Nieuwburg and Madison avenues.

WOMEN OF MOOSE PLAN INSTALLATION

Preparations for the installation of new officers at 6 p.m. Saturday were completed last evening by Women of the Moose. Mrs. Mildred Votoupal, senior regent, was in charge.

Mrs. Frances Westbrook, friends' chairman, presented the speaker, Mrs. Marian Lipscomb.

Presentation of friendship rings was made by Mrs. Votoupal to Dorothy Cox, Virginia Knipping, Juanita Williams and Joy Kahn, who were aided by Virginia Severson, Birdella Meyenberg and Delia Rabb. Guides for the ceremony were Edna Miller and Edith Rodgers.

New Rotary-Ann Club Luncheon

The new Madison Rotary-Ann organization held its second gathering of the spring yesterday afternoon at Rusty's restaurant, Edwardsville.

Attending the luncheon were Mrs. d a m e s Irene Waggoner, Jeanette Seammell, Lois Winter, Thelma Sues, Nigel Meares, Winifred Sayak and Leora Thebeau and guests. Mesdames Laura Uffers, Louise Lewis, Shirley Dutko, Vivian Anselmo, Betty Walker and Louise Riggs. Next meeting of the group will be held in October.

CIRCLE FOUR CLOSES SEASON WITH DINNER

Mrs. Lela M. Runk entertained members of Circle Four of the First United Presbyterian Church at a picnic dinner Tuesday evening at her home, 2533 Benton street. It was the group's final meeting of the season.

Dinner was served at 6:30 p.m. with the lawn area gaily illuminated with light jack-o-lanterns. Large umbrellas shaded individual tables which were decorated in yellow and green. A smorgasbord-style meal was served from redwood tables appointed in the same color motif. Mrs. LaVenka Meyer, Circle Four chairman, presided and the hostess was assisted by her aunt, Mrs. Vivian King, of East St. Louis. Fifteen members attended.

500 to Vie In National Drag Racing

Five hundred entries from all over the U.S. will be on hand for the American Hot Rod Association's spring national drag racing championships to be held at American International Raceway Park along Route 203 south of Madison in three days of racing beginning at 4 p.m. Friday.

The dragsters will compete for \$40,000 in prize money and trophies in over 400 classes. One entry, Claude Bradshaw, 2821 Willow avenue, will be driving a "Baracuda funny car."

A "funny car" is a fiberglass reproduction of a stock production car body placed on a selected chassis. Reason for duplicating the body and chassis is weight. The original styling and form can be retained by reproducing the car, while eliminating about half the original weight. Cost of a "funny car," including a 1000-hp. engine, is about \$15,000.

Another top class will be double A field dragsters, the most exotic of all "dragging-wagons." Their engines develop 1400 horse-

power, burning nitro-methane fuels. They have 180-hp. wheelbases. Such a dragster can finish an eight-mile strip in less than five seconds.

Fuel for both classes costs \$6 a gallon, and they will burn two and a half gallons in an eight-mile run.

Tomorrow, racing will get underway at 4 p.m. with qualifying and time trials. Then, world and national record attempts will be run for top fuel and top gasoline, and qualifying times for funny cars will be held.

At noon Saturday, more qualifying times and world record runs will begin, continuing until 8:30 p.m. At 9 p.m., eliminations will be held for some classes.

Sunday's racing begins at 8 a.m. with final eliminations runs for the top 16, top fuel, gasoline, funny car and nine other classes will conclude the event.

Admission charge will be \$3 for adults and \$2 for children. Saturday and Sunday has not been decided.

Miss Linda Sabo

of the Granite City high school vocal music department.

Prior to the pageant, the candidates were interviewed informally during a judges' tea at the Rose Bowl.

Points awarded at the informal session were added to scores accumulated from the contestant's appearance, poise, figure and talent displayed during the pageant last night.

Basis for Judging

Principal emphasis in the total points achieved by the candidates were acquired in three categories — talent presentation, 50%; appearance in a swim suit, 25%; and appearance in an evening gown 25%.

Charm, intelligence and personality were taken into consideration and included in the overall point total. As in the Miss Granite City Pageant, selection of Miss Illinois and Miss America follows the same basic pattern and point percentages.

Local firms serving as sponsors for the contestants, included Dorothy's Junior Boutique, Helman's Style Shop, John Sobol Realty, Granite City Trust & Savings, Holekamp Lumber Co., House of Trophies, Madison County Federal Savings and Loan and The Carousel of Beauty.

David A. Walker was general chairman for the 1967 Miss Granite City Pageant, with Gary Sans Souci as entries chairman; Earl Parsons, production and all settings; Earl Dotzauer, publicity; James Jeffries, judging; William Herbst, budget and finance; and James Harsh, ticket sales promotion.

Statistics Show More Girls, Less Boys Born

A total of 291 births in Madison county during May showed a reduction in the number of boys and an increase in the number of girls, compared to statistics of the same month a year ago, the office of County Clerk Eulalia Hotz reported today.

The 291 total was an overall increase of 11 over last year's May total of 280 when 157 boys and 127 girls were born. Last month's statistics showed the births of 138 boys and 153 girls. One set of twins was born last month compared to two sets in May a year ago.

The number of deaths during May decreased sharply to a total of 143. In May a year ago, 188 deaths were recorded. Marriages during last month also showed an increase over last year's May figures. Last month 186 marriages were recorded, compared to 171 in May last year.

Pro Soccer Needs More Goals, Rotarians Told

Soccer rules and procedures were explained to Madison Rotarians yesterday by Fred Schmidt, a member and past president of the club, who predicted that attendance at pro games will remain small unless there is greater emphasis on offense and less on defense.

A former soccer player and coach, Schmidt noted that present professional teams usually keep on defense eight of their 11 players, including the goalkeeper, leaving only three to carry the offense.

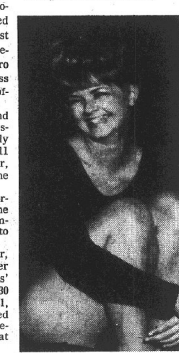

He said a rule that five forwards must remain beyond the middle line would make the competition more equal and lead to more scoring.

President-elect Harvey Miller, who will be installed with other 1967-68 officers at a "ladies' night" dinner meeting at 6:30 p.m. next Wednesday, June 21, at the Rose Bowl, announced that Rotary district golf competition will take place July 24 at Moonmouth, Ill.

Oscar Albert, a Madison Rotarian who spends much of his time in St. Petersburg, Fla., attended the luncheon and noted that he has been maintaining a perfect attendance record by visiting various clubs in Florida. The birthday of George Franklin was observed.

the council, on an "off-the-record" basis, that he in close negotiations with two industrial firms interested in establishing plants in the city's industrial park.

He said he is not free to disclose the names at this time but hopes to do so soon. He said one would be related to Granite City Steel Co. operations and the other would be diversified.

One plant would utilize about 15 acres of the 60-acre park. About 175 persons would be employed, he said.

The council adopted a resolution commending Rev. Engelbert Biemek on his golden jubilee as a Franciscan. The mayor said that during banquet ceremonies held recently, he presented the pastor of St. Mary's Catholic Church with a key to the city and outlined his services in civic and religious affairs of the community.

Another resolution appropriated \$27,000 of motor fuel tax funds to improve three streets, subject to the approval of the state highway division. They are Collinsville avenue from Alton to McCambridge avenues, Alton from Collinsville to Market street and Highland avenue from Collinsville to Market.

Purchase Turned Down

A proposal to purchase the Paulsen property at Second street and McCambridge avenue was turned down on the recommendation of the public buildings and grounds committee.

Al Paskus, owner, offered to sell the property, situated in a corner of the city playground, for \$17,000 but the cost was deemed too high. Two appraisals set the value at \$16,500 and \$7,100.

The finance committee set a special meeting for 7 p.m. next Tuesday to consider the city's budget for the current fiscal year. All department heads and other advisers were invited to attend.

Reappointments of Joseph Purdies as a police commissioner for three years and Steve Kamam as assistant building inspector for one year were approved.

Accept Residential Plat

An ordinance accepting a 3.976-acre plat to the second addendum to the Schermer subdivision, in the Greenwood street corner of Grant's Farm next Wednesday, June 21, Youth Director Charles Haase reported today. Youth interested should report to the "Y" and sign up for the tour.

The group will leave the "Y" here at 11:30 a.m. and arrive at Grant's Farm at 3:30 p.m. Fee will be \$1 for "Y" members and \$1.25 for non-members.

Golf Gear Looted At Country Club; 2 Homes Entered

Golf gear valued at \$2079 was stolen in a burglary at the Sunset Hills country club, Highway 157, between 9:30 p.m. Sunday and 7:35 a.m. Tuesday. It was reported to the county sheriff's office.

The loot included 10 assorted wedges valued at \$108, 17 sets of irons at \$845, 12 sets of woods at \$194, 15 dozen golf balls at \$132, a golf bag at \$85, four golf bags costing \$150, six dozen golf shirts at \$386 and six golf sweaters at \$66.

Entry was gained by raising a cellar door and forcing a door leading to the building.

Coins were stolen and the house was ransacked in a burglary at the home of William Smalley, 3311 Wabash avenue, during the day, he reported at 5:40 p.m. Tuesday. Entry was gained through the garage and by kicking in the kitchen door.

Missing was \$3 from the kitchen table and four silver dollars and about three Kennedy half dollars from a front bedroom. He also reported that during the past several weeks several small items and small amounts of money, all valued at about \$25, have been missing.

Thieves forced open the rear door of a new house in Wilson Park Estates and carried off two lawnmowers valued at \$109 and a garbage disposal unit worth \$40. It was reported to police Wednesday morning by the developer.

Also taken were faucets from the sink.

Thieves pairs of men's trousers were stolen from a clothes line in the back yard at the home of Ann Ross, 3046 Park avenue, between 7 and 9 p.m. Monday, she reported Tuesday afternoon.

A 1952 pickup truck reported stolen from Willie Bailey, 2547 Harding Blvd., at 11 p.m. Tuesday from his home was recovered later by the owner on the north side of Rocks canal levee.

A black over red 1962 two-door van was stolen from the home of Harold Bellinger, 2220 Adams street, after 10 p.m. Wednesday, he reported at 5:40 a.m. Wednesday.

Robert Stroehmer, 2035 Delmar avenue, reported at 9:30 a.m. Wednesday that a tachometer valued at \$15 was stolen from his 1968 auto while it was parked at his home during the night.

The determined amount of money was taken from a soda machine in a burglary at the cafeteria of National Lead Co., 15th and State streets, it was reported at 7:40 a.m. Tuesday. The machine was pried open and attempts were made to pry out other machines. A plywood window to the machine shop was broken and two desks were ransacked. Method of entry into the plant and cafeteria was undetermined.

The candy machine and one of the washers at the Laundromat, Market and State streets, Venice, were broken open late Monday night, according to a report by Venice police. Thieves were unable to remove the coins, however, and took only a quantity of candy from the machine.

An undetermined amount of money was taken late last night from coin boxes in cigarette, candy and soda machines in Laclede Steel Co., Madison. The theft was reported to Madison police at 11:30 p.m.

A patrolman found large pry marks on the front door of Vaughn's pharmacy, 1830 Delmar avenue, at 2:10 a.m. Wednesday, apparently made in an attempted burglary after 1:30 a.m. There was no entry.

The June 30 deadline affects reimbursement for the regular 1967-68 junior college term, and the Belleville junior college has scheduled its summer term to open July 1, enabling that institution also qualify for tuition payments by public school systems.

In other business, the board authorized the Schlosser accounting firm to continue its accounting and auditing work for the district in 1967-68, at the same cost as this year.

General Steel Industries, Inc., announced today it has received an order for building 200 pulpwood cars for the Texas & Pacific lines, of Missouri-Pacific Railroad in the amount of \$3.2 million.

A plant spokesman said the plant in Granite City will begin delivery in late July and should complete the order within four months.

The equipment order given General Steel was part of an \$18 million order for Missouri-Pacific for 1650 new freight cars. Another half million worth of flat cars and box cars will be ordered soon, the railroad said.

SMITHS REUNITED AFTER 43 YEARS

A reunion of the Smith family was held at Wilson Park Sunday. It will be a day of remembrance as seven brothers and sisters were reunited after 43 years. They were separated in 1924 following the death of their father.

The Odd Fellows' home in Clarksville, Tenn., reared four of the children. Mrs. Sally Richardson, Mrs. Martha Johnson, Walter Smith and Robert Smith. The others are Elbert and James Smith and Mrs. Frank Sherman.

The family spent the evening eating and talking.

Taking part in the celebration were Mr. and Mrs. Elbert Smith and son, Alan Ray, Mr. and Mrs. C. F. Sherman and daughter, Louise, Mr. and Mrs. James Smith, Mr. and Mrs. Walter Smith and children, Dorothy, Jamie and Lisa, Mr. and Mrs. Robert Smith and daughter, Vickie, Mrs. Sally Richardson and daughter, Kathy, Mr. and Mrs. Robert Johnson and son, Carl, Mrs. Carl Smith and son, Eddie, Mr. and Mrs. Terry Smith and son, Mark, Mr. and Mrs. Clarence Sherman and son, Dennis, Mr. and Mrs. Alfred Mitchell and daughter, Paula, Mr. and Mrs. Tom Chandler and Kim, Mr. and Mrs. Larry Lloyd and children, Bobby, Dennis, DeAnna, Tracie and Becky, Mr. and Mrs. James Down and sons, Roger and David, Mr. and Mrs. Joe Harris and children, Diana and Randy, Mr. and Mrs. Jerry Mikulea and sons, Kenneth and Kevin, Mr. and Mrs. Oakley Collins, Mr. and Mrs. Carl Fitzhugh and children, Kathy and Gene, Mr. and Mrs. Loy Sykes and children, Glenda and Rickey, Miss Mary Ann Ferris and Larry Jones.

The Ladies in Action of the 25th & Dewey Pentecost Church met Monday night to make plans for a chicken and dumpling supper that will be held Saturday from 4 to 8 p.m. at the YMCA. Proceeds will go to the building fund of the church. The church is now constructing a new building on Pontoon road.

50TH ANNIVERSARY
Mr. and Mrs. Eugene Jordan of Elco, Ill., celebrated their golden wedding anniversary with

an open house Sunday afternoon at Elco.

Mr. and Mrs. Jordan are the brother and sister-in-law of Mrs. Mina Duggins, 2115 Missouri avenue, and of Homer Jordan, 2808 West 20th street. The Jordans have five children, who were all home for the celebration.

Many cousins, an aunt and niece and nephew live in the Granite City area. Those attending from here were Mr. and Mrs. Gene Duggins, Mr. and Mrs. Homer Jordan, Mr. and Mrs. Paul Baker and family and Mr. and Mrs. Robert Wilson and family.

Mrs. Isaac Hunt, 2132 Bryan avenue, who has returned home from Faith Hospital, St. Louis, following major surgery, is recuperating nicely at home.

FATHER'S DAY PROJECT

Primary Sunbeams of Second Baptist Church met Tuesday afternoon at the church for a weekly meeting. Mrs. Betty Lewis was in charge and told activities at the Keweenaw Baptist Church in Hong Kong.

The boys and girls made simulated stained glass church windows and gifts for Father's Day. Present were Norman Sanders, Robert Johnson, Randy and David Young and Becky Clemens. Mrs. Lewis offered prayer for Southern Baptist Missions.

SUNSHINE CLASS MEETS AT BURNETT RESIDENCE

The Sunshine class of Second Baptist Church met Monday evening at the home of Mrs. Isabelle Burnett, 2535 Benton street. The meeting opened with prayer by Mrs. Ethel Cox, and the devotional was given by Mrs. Evelyn Smith.

Mrs. Nadine Frith offered closing prayer. Refreshments were served by the hostesses.

Others present were Mesdames Steffie Libzer, Frances Feldman, Norma Rains, Rosemary Wilson, Gladys Hudgens and Esther Davis.

PROGRESSIVE CLASS HOLDS BIRTHDAY DINNER

The Progressive class of Second Baptist Church held a birthday dinner Monday at the home of Mrs. Naomi Burnett, 2434 Illinois avenue.

Opening prayer was by Mrs. Burnett. The class song was sung, and all repeated the 23rd Psalm. Mrs. Tillie Naylor gave the devotion from the Bible.

Those celebrating birthdays were Mesdames Edith Wilson,

School Aid, Wage and Tax Bills Advanced

In a series of legislative moves this week in an effort to clear away a backlog of pending bills, Senate committees endorsed a \$400 per pupil state aid bill and a measure raising the minimum salaries of domestic police and firemen, while the Illinois House gave final approval to 43 bills changing the local property tax system, then sent them to the governor's desk.

The Senate Education Committee gave its approval to the \$400 per pupil state aid bill which already has passed the House and which has had support of leaders of both parties. Its sponsor, Rep. Charles W. Clabough, also proposed an additional \$35 in the first year of the 1969-70 biennium.

Indications immediately after committee approval were that the bill may undergo some trimming when it reaches the Senate floor as a result of Republican efforts to trim Gov. Kerner's budget by at least \$300 million.

Now \$300 Per Pupil
Current state aid level is \$230 per pupil and the increase to \$400 would result in an estimated cost boost of \$230 million in state funds, Sen. Joseph Krausowski

(R) Chicago, said he will attempt to add an amendment striking out the \$35 additional fund to 1969-70 because "I don't think this legislature should bind future legislatures."

A 9-3 vote by the Senate Municipal Corporations Committee advanced the minimum salary bills to the Senate floor, but backers of the measures said they would not call for a vote unless the legislature agreed to allow a half-cent increase in city sales taxes.

The endorsed bills, which already have passed the House, would raise minimum salaries of police and firemen from \$300 to \$350 a month in communities of 5000 to 25,000 population; from \$225 to \$250 in cities of 25,000 to 50,000; and from \$200 to \$225 in cities between 50 and 250,000.

Joseph Hogan of Springfield, executive vice-president of the Police Benevolent and Protective Association of Illinois, said 40% of the cities do not pay salaries equal to those proposed in the bills.

"The police department are losing men because of low salaries," he said.

New Minimums
The revised taxing measures

would establish maximum and minimum rates for basic funds operated by cities, townships, counties and special districts. The bills are supported by the Illinois Taxpayers Federation.

Under the proposals, a city or county now having a tax rate higher than the top provided in the new law could retain it. The old rate is below the new rate, it could be raised without referendum. The new bills do not affect school districts, Chicago also is exempt.

Meanwhile, Republican legislative leaders have proposed establishment of an improved grievance procedure for state employees and procedures for the organization of public employees at all levels of government to negotiate collectively with their employers.

Since strikes are now prohibited by law, it was pointed out, "public employees are entitled to every possible protection in the law to protect them against exploitation and to insure their grievances and demands will be received full and fair consideration and treatment."

Driver Licensing

In Illinois Gets

U. S. Recognition

Secretary of State Paul Powell and the State of Illinois drivers licensing program were paid high tribute today by both the American Association of Motor Vehicle Administrators and the Pennsylvania State University.

Long recognized as one of the outstanding drivers licensing programs in the U.S., the Illinois office has been invited by the A.A.M.V.A. and Pennsylvania State to play the major role in a conference being conducted at the University on Sept. 25.

The planning committee for the conference has asked that the representative explain the Illinois bus drivers licensing program, Illinois state truck driver licensing procedure and Illinois tractor-trailer driver licensing procedure.

The Illinois representative will also serve as a member of a panel to discuss the general procedures now in use.

Council Acts to Qualify for Sewer Grant

Meeting on special call to comply with a deadline for obtaining a \$1.5 million federal grant for the city's sewer and drainage construction program. Granite City council members last night sailed through the routine procedure in record time, then became embroiled in a lengthy argument that, for a while at least, endangered the fate of the grant.

Despite repeated explanations by City Atty. Richard Allen that the resolution the aldermen had just approved was in proper form, and warnings by Mayor Donald Partney that the resolution had to be mailed to federal officials today (Thursday) to meet the grant requirements, several council members attempted to amend the resolution and, failing that, tried to lay the entire matter over until Monday night's regular meeting.

Some of the discussion centered around the fact that Horace Calvo, attorney specially employed to handle the city's bond matters in the sewer construction program, did not show up at the meeting. At one point Alderman Paul Rutledge told Allen to inform Calvo to be present at future meetings "or we'll get another attorney."

Challenge Wording
The argument centered around the wording of a resolution which confirmed the canvass of the vote for last Saturday's \$1,900,000 sewer bond election, and which will serve as official notice to the Housing and Urban Development Agency that Granite City has its matching share of funds to qualify for the \$1.5 million federal grant. Had the bond issue proposal lost in the June 10 balloting, Granite City would have lost the grant, and the city had

Granite City PRESS-RECORD
Page 14 Thurs., June 15, 1967

been so notified.
Disapproval of the words "general obligation bonds" in the resolution did not develop, however, until after the resolution had been approved by a speedy 12 to 1 vote within minutes after the mayor called the meeting to order. Alderman Partney cast the only dissenting vote. Aldermen Bartosik, Basarich and Dallas were absent.

Mayor Partney then explained that a resolution authorizing the sale of bonds and a call for bids had not been completed in time for last night's meeting, but would be introduced in the regular meeting next Monday. Alderman Robertson moved for adjournment and the motion received a second.

At this point, however, Alderman Ford Johnson asked for an explanation of the words "general obligation bonds" in the resolution, pointing out that actually \$125,000 of the amount is to be in revenue bonds and \$1,775,000 in general obligation bonds.

Says Resolution in Error
Johnson insisted the resolution that had just been passed should be written in specific figures and that the resolution approved was in error. Both the mayor and Allen explained at length that the resolution just passed was not a legal document effecting the tax extension or the actual issuance of bonds, but merely constituted an official notice to HUD that the voters had approved a bond issue to provide the city's share of matching funds for the federal grant. Mayor Partney said the

council was being inconsistent in approving the resolution confirming voter approval of \$1,900,000 in general obligation bonds and later passing other ordinances and resolutions for \$1,775,000 in general obligation bonds and \$125,000 in revenue bonds.

Rutledge explained again that the ordinance approved earlier in the meeting was not a legal tax notice but merely a notice to HUD.
"I don't deny this could have been drawn up better," Rutledge said, "and I think Calvo should have been here to answer questions... but this resolution will not affect the bond resolutions we pass in the future." It was at this point Rutledge told Allen to inform Calvo to be present at future meetings.

Moerlen then put his motion again for amendment of the resolution to specify bond amounts. Partney told the council, "All this is going to do is confuse the issue... this notice has to be mailed tomorrow. A general argument ensued, and Moerlen withdrew his motion for amendment of the figures as Alderman Walter Norn suggested the matter could be settled by striking out the words "general obligation" to make the resolution read \$1,900,000 in bonds."

Motion Loses
Moerlen then moved for reconsideration of the resolution, and Johnson gave his second to the motion. Alderman Samuel Whitemer suggested, "the best thing would be to cancel the whole thing out and wait until Calvo is here."
Partney then called a voice vote on the amendment motion, and upon hearing a number of negative votes ordered a roll call vote. The amendment was voted down eight to five.
Action Inconsistent
Moerlen then argued that the

ordinance authorizing the bond issue will "spell out" in detail the type and amount of bonds to be issued as well as the legal descriptions of all property included in the sewer improvement program.

Allen said Calvo had informed him that the resolution Calvo prepared for approval last night, which referred only to \$1,900,000 in "general obligation bonds" and made no mention of "revenue bonds," was a customary form used in notifying federal agencies. Allen said he thought any amendment to the resolution "would just confuse the issue" and could result in difficulty over the federal grant.

Alderman Charles Moerlen entered the discussion with the remark, "I'm no lawyer, but I'm acquainted with their shenanigans... this resolution was not prepared in accordance with the council's instructions. The resolution should specify that \$125,000 of the amount is to be in revenue bonds and \$1,775,000 in general obligation bonds."

Moerlen then moved for reconsideration of the resolution, and Johnson gave his second to the motion. Alderman Samuel Whitemer suggested, "the best thing would be to cancel the whole thing out and wait until Calvo is here."
Partney then called a voice vote on the amendment motion, and upon hearing a number of negative votes ordered a roll call vote. The amendment was voted down eight to five.
Action Inconsistent
Moerlen then argued that the

MASTER POINT DAY AT BRIDGE MEETING

Sunday was "master point day" for members of the Granite City Duplicate Bridge club, which met at the Elks club.

First-place honors went to Mr. and Mrs. Al Lanahan, second to Dr. Jacob Cohen and Sam Meyer, and third to William Bueane and Mrs. Bernice Grzesk.

The club will hold its next meeting at the Elks at 6:45 p.m. Sunday.

On Monday morning, the Nameoki Duplicate Bridge club held a weekly gathering in the home of Mrs. Helen Meyer, 2832 Yale drive, who serves as director for both clubs.

QUARTERLY MEETING OF PRESBYTERIAN WOMEN

A quarterly meeting of the United Presbyterian Women's Association of Nameoki Presbyterian Church was held Monday evening at the church, with Mrs. Irma Taylor, president, presiding.

Devotions entitled "Overcoming Hate" were presented by Mrs. Edna Tucker. She concluded by reading missionary names and offering prayer.

During the business session, several reports were given by chairmen of committees and a "summer medical offering" was collected.

The program, given by Mrs. Bea Pyle, was recorded on "Four Dreams of Man."

Mrs. Edith Simpson and Mrs. Coramae Bent, hostesses, served refreshments to those named and Madeline Lou Pyle, Edna Hogan, Louise Anderson, Jene Lybarger, Edith Arbogast, Marilou Lybarger, Ruth Todd, Mary Stagle, Gertrude Schnyder, Bonnie Britton, Fern Mitchell and guests, Mrs. Irene Stoppkotte, Virginia Pyle and Les Buchanan.

The next meeting will be held Sept. 11.

CANASTA CLUB MEETS WITH MRS. ALLEN

Mrs. Carmen Allen entertained her canasta club Tuesday evening in her home, 2834 Madison avenue, for the final meeting until September.

Prize winners in card games were Mrs. Mary Hogan, first; Mrs. Yella Mae Tucker, second; Mrs. Verlyn Vollmer, third, and Mrs. DeArle Smart, floater prize.

A late luncheon was served to the prize winners and Mrs. Becky Parish and Mrs. Marie Naeve. Mrs. Hogan will entertain the club in her home, 2840 Clark avenue, Sept. 12.

SCOTT LOFTUS OBSERVES BIRTHDAY WITH PARTY

Scott Loftus observed his 13th birthday Tuesday evening with a slumber party in his home, 26 Bermuda lane, given by his parents, Mr. and Mrs. Mickey Loftus.

Each guest received a prize. All were served a midnight supper. Attending were Mark Wilmbrecht, Mike Dietrich, Pat Powderly, Doug Wilson, Kevin Niebur, Jim Robbers and Mark Waggoner.

VISITING PARENTS

Mrs. Patrick Lennon and sons, Shawn, George, Timothy and Kevin, of St. Claire Shores, Mich., arrived today to visit her parents, Mr. and Mrs. Rex Hogan, 2840 Clark avenue.

She expects to visit ten days and, while here, will attend the wedding of her cousin in Roxana.

BRIDAL SHOWER FOR MISS JUDY SHARP

Miss Judy Sharp was honored Sunday afternoon with a bridal shower given by Mrs. Sharon Wease in the Sharp residence, 56 Moreland drive.

The hostess used pink and white in decorating the table, which held an umbrella as centerpiece and a miniature wedding cake topped with a bride and groom.

Individual cakes were inscribed with the names of the couple. Large white wedding bells were suspended above the serving table.

Games were played and prizes were awarded following the opening of gifts. Refreshments were served by the hostess to 22 guests.

Miss Sharp will be married June 24 at the Third Baptist Church to Darron Dailey, who recently completed Army service.

Parked Auto Ransacked

Donald Johnson, 4127 Old Alton road, reported today to police that a vent window on his 1965 auto had been forced open last night and the glove compartment ransacked. He was unable to determine if anything was taken. Johnson said his auto was parked on a Granite City Steel Co. lot.

Cyclist Recuperating From Mishap Injuries

George Churovich, 39, of 908 East Chain of Rocks road is recuperating at home from injuries received last Friday morning in a motorcycle accident on the Routes 263 and I-570 ramp. He was released from St. Elizabeth Hospital this week.

Churovich, a Granite City Steel Co. employee, suffered multiple abrasions and cuts, a broken collarbone and head injuries when his cycle went out of control on loose gravel and he was thrown off when it struck a guard rail.

Drug Racing Complaint

Police were summoned to Maryville road about 12:15 a.m. today on a complaint that several motorists were drag racing. The racers fled before the officers arrived.

ANNUAL PILGRIMAGE

Madison-Venice American Legion Post 397, the Ladies Auxiliary and Sons of the Legion motored Sunday to Normal, Ill., in the Legion "duck" in an annual pilgrimage for orphans of veterans of all wars, held at Bennett Cottage.

The group provided gifts and refreshments for the afternoon's entertainment.

The 22nd district Legionnaires donated an aquarium and other gifts to the orphans.

Those motoring to Normal were the commander and auxiliary president, Mr. and Mrs. Bob Douglas, and Mr. and Mrs. Mike Leatherman and sons, Mike and Patrick, Mr. and Mrs. Pat Lindsey, Richard Peach, Hank Hillmer, Gary Waldron, Charles Cooper and Arnold Seifert.

MRS. BONE ENTERTAINS

Mrs. Estelle Bone, 414 Fourth street, was hostess to a semi-monthly Yak-Yak club meeting in her home Monday evening.

The birthday of Miss Dorothy Scarlett was observed and she was presented with a gift.

Prizes for games were won by Mrs. Kate Synski and Mrs. Kate Dymas, both of Madison.

Refreshments were served to the above and Mrs. Ina Campbell of Granite City and Mrs. Boulah

Sizemore, Mrs. Faye Smith, Mrs. Clara Simmons, Mrs. Margaret Stover, Mrs. Helen Annis and a guest, Mrs. Emily Adams, all of Venice.

Next meeting will be June 26, with Mrs. Campbell as hostess.

BOY SCOUT CAMPOUT

Boy Scout Troop One returned home Sunday evening after a weekend campout in Marion, Ill.

Marion Greshong of Venice invited the troop to his farm in Marion.

While there, the scouts visited Ferns Cyffe State Park, where they explored caves and viewed many objects of interest.

At the farm, swimming and fishing were enjoyed throughout the weekend.

Those attending were Terry Rumpf, Kirk Resdelberger, Dale Georgeff, Tony Ochoa, Duane Georgeff, Mike Scaturro, Tony Hooks, David Scaturro, Fred

Leatherman, Dale Mangi, John Kittel, Billy Malherk, Jeff Toliver, Mike Malherk, Lawrence Caruso, Al Pace, Jim Ohlendorf, Russel Pace, Mike Bihrey, Mike Dixon and a guest, Bob Dixon, and Ronald Brawley, Scoutmaster. Fred Rumpf and Assistant Scoutmaster Rufus Ochoa.

Bagi Installed As President of Lions in Venice

A semi-monthly meeting of the Venice Lions club took place Monday evening at the Elks club, with president Charles Bilbrey presiding and officers installed for the ensuing year.

New officers are: Joseph Bagi, president; Bernard Anderson, Jack Fields and Philip Smith, first, second and third vice-presidents; Thomas Williams, secretary; Lawrence Hartman, treasurer; Harold Koelker, tail twister, and Robert Heagy, lion tamer.

The Lions are purchasing locks for trash cans on the riverfront and also will sponsor a sign to be erected on the boat dock in Venice.

Dinner was served preceding the meeting to approximately 25 members.

Next meeting will be held June 26 with a barbecue served on the Venice riverfront.

County Share of Sales Tax Up in 1st Quarter

Madison county will receive \$17,484 from unincorporated area sales taxes for March, the Illinois Revenue Department informed Miss Eulalia Hotz, county clerk, this week.

The figure is a new March record, topping the \$17,254 received for March 1966.

Of the four-cents-a-dollar sales tax, the state retains three and a half cents and returns a half-cent to the county, less 4% for administrative costs. This deduction amounted to \$728 for March.

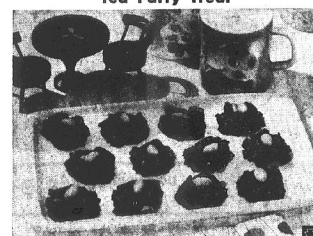

Another factor in reducing the \$18,445 gross collection to \$17,484 was deferral of \$232 in protested taxes pending litigation.

The \$45,352 derived by the county treasury for the first quarter of this year compares to \$44,185 at a similar point a year ago and \$39,362 in January-March 1965.

Grand total since the tax went into effect in Madison county Oct. 1, 1959, is \$1,295,865.

—GO TO CHURCH SUNDAY—

Tea Party Treat

Summer fun means fun for the children. They gather for tea parties or baseball games—and refreshments are always in order. Here's an idea that will win cheers from the youngsters, yet is simple and quick for you to make.

Summer Surprise Clusters are cookies that you don't bake! They're a combination of semi-sweet chocolate pieces, buttered puffs and evaporated milk with rolled oats added for delightful chewy texture and subtle flavor. Salted peanuts provide the crunch that kids love.

After the chocolate and butterscotch pieces are melted, just stir in the remaining ingredients and drop in mounds on a cookie sheet. Then refrigerate—no baking! These confections are so easy that big sister can make them for the little folk's party.

SUMMER SURPRISE CLUSTERS

Makes 3 1/2 dozen
1/2 cups semi-sweet chocolate pieces
1/2 cup butterscotch pieces
1 cup sugar
1/2 cup evaporated milk

1 teaspoon vanilla
1/2 cups quick rolled oats, uncooked
1 cup salted peanuts
Combine chocolate pieces, butterscotch pieces, sugar and milk in medium-sized saucepan. Cook over very low heat, stirring constantly until chocolate pieces and butterscotch pieces are melted.

Remove from heat; add vanilla. Beat in oats. Stir in peanuts. Drop by teaspoonfuls onto waxed paper-lined cookie sheets. Press a salted peanut on top of each mound.

Eagles Auxiliary Chairmen Named

Eagles Auxiliary 1126 met Tuesday evening at the Eagles hall with the president, Mrs. Florence Hagnauer, presiding. Committees for the new year were formed.

Reports were given by Mrs. Edna Harlan, visiting chairman, Mrs. Isabel Cronkovich, secretary, and Mrs. Helen Lipchik, delegate to the 19th annual state convention of the Eagles Auxiliary in Herrin, Ill., July 9, 10 and 11. Sixteen members of the Granite City auxiliary attended the convention.

Committee chairmen announced by Mrs. Hagnauer are Mrs. Vera Horynak, membership; M. S. Florida Batson, audit and bylaws; Mrs. Delores Klesh, "mother" of the auxiliary; Mrs. Edna Harlan, visiting chairman; Mrs. Isabel Cronkovich, secretary; Mrs. Helen Lipchik, delegate; Mrs. Billie Schuler, finance; Mrs. Ellen Rickert, ways and means; Mrs. Faye Briggs and Mrs. Stella Mueller, social; Mrs. Norma Henken, tuberculosis sanatorium; Mrs. Ruth Evans, pianist; Mrs. Margie Hall, Jimmy Durante, fund for Retarded Children.

Mrs. Janet Hagnauer will serve as youth guidance chairman, and assisting her will be Mrs. Linda Brown, Mrs. Helen Lipchik, Mrs. Theresa Daiger and Mrs. Delores Klesh.

A Father's Day dinner was planned by the group for June 21 for the men of Eagles Aerie 1126. Chairman of the event will be Mrs. Stella Mueller.

Two new members were introduced. They are Mrs. Lorraine Vaughn and Mrs. Mary Speitzberg.

Refreshment tables for the meeting were decorated in a blue theme with a centerpiece of a decorated cake honoring Mrs. Florence Hagnauer as new president.

Ruth Class to Aid Nursing Home

Members of the Ruth class of Third Baptist Church gathered Tuesday evening in the home of Mrs. Mildred Nash on Spaulding avenue for their monthly meeting.

Mrs. Thelma Peterson, president, conducted the business session, with the opening prayer given by Mrs. Naomi Black. Mrs. Julia Carmack, class teacher, showed a picture of a teenage girl—a resident of the Carmi, Ill., Children's Home—where the class will adopt.

Each member brought tea towels with which to make bids for a nursing home as a summer project.

The class made plans to purchase an item for the new church library, which will open soon. Devotions were presented by Mrs. Peterson, taken from Jeremiah.

Following the meeting, games were played and prizes were won by Mrs. Ivan Graklanoff, Mrs. Helen Redford and Mrs. Helen Redford.

The next meeting will be in her home, 100 Briarhaven, Ill. Apartments.

A dessert course was served by the hostess to those named and Mrs. Vi Wallace and Jerry Short.

Mrs. Richardson Is Honored

Mrs. Minnie Richardson, who will observe her 100th birthday on July 8, was afforded special honors Tuesday evening by the Women's Society of Christian Service of Nidreghaus Memorial Methodist Church, which she is a long-time member. The event was held with the Society's regular June meeting at the church.

The guest of honor was presented a corsage by Loyalty Circle members and a specially-designed WSCS membership pin by the Nidreghaus Women's Society.

Mrs. Richardson was accompanied to the meeting by her daughters, Mrs. Golda Thornburg and Mrs. Edna Newman, and her grandchildren, Mrs. Neil Winters and Mrs. Kenneth Felden. Another daughter, Mrs. C. E. Townsend, was out-of-town and unable to attend.

The WSCS executive committee was in charge of the lesson and a panel program. Panelists were Mrs. Sam Morton, Mrs. George Voegler, Mrs. Gerald Busue and Mrs. Wesley Helms, who also gave the lesson.

A pledge service was conducted with Mrs. William Marcus in charge, and a brief business session was directed by Mrs. Harold Briggs, society president.

A dessert course followed, served by the executive group. The buffet table was centered with a three-tier birthday cake, furnished in Mrs. Richardson's honor. Individual birthday tables were tastefully decorated, using an appropriate theme for each month.

Sixty-three members attended. In addition to the honored guest and her family, other guests present were Mrs. Earl Phillips and Mrs. C. H. Temple.

POST-WEDDING SHOWER HONORS MR. HAMM

A post-wedding shower was given this week to honor the former Miss Patricia Lee of Dover, Tenn., whose marriage to Dale Hamm of Dover, an employee of Lipscomb Steel Co., took place in that community May 27. The couple is now residing at 2445 (r) Edwards street.

Cohostesses for the household shower were the sisters-in-law of the recent bride, Mrs. Marie Mathis and Mrs. Jo Earlene Crow. The affair was held at the Mathis home, 2869 Iowa street, which was appropriately decorated.

After the packages were opened, games were played, and prizes were awarded to Mrs. Eula Davis, Mrs. Gladys Wallace, Mrs. Johnnie Mathis, Mrs. Rattie Koel and Mrs. Catherine Hamm of Dover, Tenn., who was visiting her daughters.

Other guests were Mrs. Catherine Czwornog, Mrs. Phyllis Stieb, Linda Hamm, Mrs. Vivian Meadows, Mrs. Gerline Travis and Mrs. Aline Breyer.

The honoree is a daughter of Mrs. Mavis Lee of Dover. Her husband's parents are Mr. and Mrs. Frank Hamm, also of Dover, Tenn.

During the social hour, games were played with prizes awarded to Mrs. Alma Klaus, Mrs. Loretta Goeller, Mrs. Lucile Cooper, Mrs. Ella McKittick, Mrs. Dorothy Best, Mrs. Helen Qualls, Mrs. Melba Wade. A special gift was won by Mrs. McCain.

Hostesses for the evening were Mrs. McKittick and Mrs. McCain.

HOUSEWOMING HONORS MR. AND MRS. KAHN

A housewarming and open house were held this week for Mr. and Mrs. Victor Kahn, who recently occupied their new home at 1548 Garfield avenue.

About 50 guests attended, including Mrs. Kahn's parents, Mr. and Mrs. Floyd Hatcher; her grandparents, Mrs. Mary Ferguson of Venice and Mr. and Mrs. Louis Hatcher of Madison, and Kahn's parents, Mr. and Mrs. Victor Kahn.

Cake, punch and sandwiches were served, and the couple was presented with gifts. Mrs. Kahn is the former Darlene Hatcher.

POST 51 AUXILIARY PLANS SUNDAY BBQ

Plans for a family barbecue were announced by the Post 51 Auxiliary, who met Tuesday evening by members of Amvets Post 51 Auxiliary, who met at the Post Home, 1100 Lakewood drive. The affair will take place on the post grounds.

Mrs. Agnes Conkovich, newly installed president, was in charge of the business session. The remainder of the time was spent socially with Mrs. Betty Wilkins receiving the "white elephant" gift. Eleven members were in attendance.

Steinkuhle and Gideon Wedding

Mrs. Genevieve Boyd Gideon, 2929 Grand avenue, and Fred H. Steinkuhle of St. Louis, were married Saturday afternoon at Nidreghaus Memorial Methodist Church.

Rev. Paul E. Gieseler, pastor, officiated at the five o'clock ceremony. The couple was attended by the bride's brother and sister-in-law, Mr. and Mrs. Le Roy Boyd of St. Louis.

The former Mrs. Gideon selected a street-length gown of deep blue tulle, patterned with French lace. Her accessories were in matching pink and she carried a bouquet of deep blue gladioli.

After the ceremony, the bride and groom were escorted to the Granite City school system earlier this month. Mrs. Steinkuhle had taught for the past 15 years at Mitchell grade school. Mr. Steinkuhle concluded a long-time association with the August Viernann Bricklaying Co. of St. Louis upon his retirement.

Mr. and Mrs. Steinkuhle will reside at 6759 Delor avenue, St. Louis.

6 Requests Ok'd 3 Denied by County Board of Appeals

The Madison county zoning board of appeals recommended approval of six requests for a special use permits and denial of three others in unincorporated areas of Nameoki, Chouteau and Venice townships.

The recommendations are subject to the approval of the Madison county board of supervisors which will consider them at its meeting next Wednesday in the courthouse at Edwardsville.

Special use permits for mobile homes were recommended for Chasley Lee, owner, in an R-4 one-family residence district of Nameoki township; Herbert Koonce, owner, in an R-4 one-family residence district in Venice township.

W. C. Bryant, owner, and Marie Colyer, lessee, in an R-4 one-family residence district in Nameoki township with stipulations that it be used solely for the residence of the applicant and not for rental purposes and that other code requirements be met.

Thomas Smoot, owner, in an R-3 one-family residence district in Chouteau township subject to his redividing the parcel of ground.

Warehouse Approved
A special use permit was granted to Lloyd Belcher sr., owner, for a warehouse to store household goods with adjacent office facilities with parking in an R-3 one-family residence district in Chouteau township with the stipulation that he comply with the building code.

Also recommended for approval was the request of Louis Hafner for a variation in yard area requirements in an R-4 single-family residence district in Chouteau township.

Requests Denied
The zoning board recommended denials of the following requests: By Velman Stark for a stable in an R-2 one-family residence district in Chouteau township. By Floyd L. Hannel to operate a confectionery in his home in an R-4 one-family residence district in Chouteau township. By Melvin Davis for a mobile home in an R-4 one-family residence district in Nameoki township.

Ceiling Work at Washington School, Classes Transferred

Ceiling repair bids will be sought at Washington grade school, where it has been necessary to transfer summer classes to Logan school.

Condition of the ceiling was discussed at Monday night's Granite City school board meeting. Tile has fallen in one classroom, and it has been determined that the ceiling is unsafe in 12 rooms, each about 32x25 feet in size, and along two 12x 165-foot corridors.

School administrators voiced criticism of the installation, which has been traced back to a point sometime before 1954. Records identifying the contractor have not yet been located. The tiles are attached to widely spaced 1x4-inch boards.

Emerson and McKinley school ceilings are believed to have been installed at about the same time, but have been checked and found to be safe.

Repair bids and recommendations are to be considered at the June 26 board meeting. Other summer school centers are Granite City high school, Coolidge junior high school, Prather junior high (gifted student program) and the Emerson, McKinley, Mitchell, Marshall, Frohardt and Lake grade schools.

2880 Enrollment. Supt. Bob J. Davis reported that summer school enrollment totals 2245 at the elementary schools, 501 in the junior high school, 254 in the gifted program and 882 at Granite City high school, the latter figure including band and driver training.

The board decided to remodel Central junior high school physical education facilities at an estimated cost of \$12,000, not including the cost of lockers. Plans will be drawn up and bids sought.

"On the basement level in the southwest corner is a classroom," Supt. Davis explained. "By partitioning off part of a restroom and installing showers, drains and ventilation, a suitable shower room can be constructed. Then by making a passageway from the classroom to the shower area and remodeling the classroom, a suitable locker room can be made."

"This will allow either the boys or girls to use both existing facilities, and the other group can use the new facilities. While this will not make ideal facilities, it will aid both the students and staff in their physical education program."

Study Future of School. Present Central shower facilities are regarded as "poor and inadequate," and the improvement has been delayed in the past only because of uncertainty over continued use of Central, which is the oldest Granite City junior high school and lacks a campus.

Even if a replacement school was being built immediately, which is not the case, it would be several years before Central could be eliminated, board members noted. Supt. Davis commented, "If we get no more than a few years' use of the new shower room, it will be money well spent."

The board authorized establishment of an orientation program at Central for new seventh graders. It will be held from 9 a.m. to 12:15 p.m. Monday, Aug. 28, and transportation will be provided for the students.

Granite City high school and Coolidge junior high school also have orientation days, and these also are set for Aug. 28.

GCIS Team Teaching. The board was informed that at Granite City high school in 1967-68, calculus will be taught and there will be two teams of leaders for team teaching in social studies and American history. An occupation study will be made available to juniors and seniors a half-hour daily for four weeks, supervised by the guidance department.

GCIS also will have a pilot group in English for independent study. It will be a selected group of senior students, who will do independent work in English in place of the regular English Eight course.

Approval was given to a contract with the Macmillan Automation Center for GCIS class scheduling, grade reporting and file maintenance.

The estimated cost of \$12,000 includes \$600 for scheduling, based on \$1 per semester for each of 3000 students; \$4200 for grade reporting, at \$1.40 cents per grade period for each of four grade periods of 3000 pupils; \$1170 for file maintenance, 30 cents per student in the first semester; and \$680 for file maintenance at 22 cents per student in the second semester.

May Expand Automation. A study is being made of possibly utilizing the same system in the junior high schools, but it has not yet been completed. It appears feasible, a junior high automation proposal will be presented to the board next year.

At the 18 schools that did not have an assistant principal in 1966-67, payments made to teachers to act as principals during the regular principals' absences

from the building totaled \$1445, Supt. Davis said. Payments to teachers at \$5.18 an hour for substitute teaching sandwiched in during their regular schedules amounted to \$8025 in the district during the past year, including \$4948 at GCIS, \$1323 at Prather junior high, \$828 at Coolidge junior high, \$753 at Central junior high and from \$50 to \$376 at each of seven grade schools.

There was no such part-day extra pay to teachers at eight elementary schools. Under terms of the present agreement, payment is restricted to savings of \$20 or more (four or more substitute hours) during the year. Teachers performing some substitute work totaled 289, and 141 of them became eligible for extra pay.

The board authorized special purchase of parts costing a total of \$238 from the Barnes & Jones Co. to repair leaking steam traps at the GCIS vocational building and to replace three steam traps at Stallings grade school.

Action on Supply Bids. Bid awards voted were: Physical education supplies and equipment, \$8916, with awards to 14 suppliers ranging from \$25 to \$1817; industrial arts supplies and equipment, \$2477, ranging from \$40 to \$2599 from 16 firms; fire and athletic equipment, \$2064, varying from \$36 to \$1230 from six suppliers.

Asphalt work, \$12,000, on low bid by A. H. Seebold (sealing of present blacktop at Emerson, McKinley, Washington and Webster schools, sealing of six GCIS tennis courts, application of seal and chips at Prather and installation of additional asphalt concrete at GCIS, Lake, Marvyn and Marshall).

Cafeteria pest control. Adroit Chemical Pest Control Co., \$75.50 total monthly charge; musical and game records, \$383 from Record Center and \$17 from Deluxe Record Shops.

Dishwashing materials. \$511 from Economics Laboratory, \$128 from DuBois Co. and an estimated \$1200 from Hilla Brand Dishwashing Compound at 15 cents per pound of compound.

Electrical supplies. \$126 from Graybar Electric, \$111 from Harry's Paint Store and \$82 from Schenker Hardware. Bidding supplies, \$186, A. B. Dick Co.; and workmen's compensation insurance, \$16,107, Fidelity & Casualty Co. (Stolinger Agency).

Supply Sources Named. Yelton Supply Co. was designated as 1967-68 supply source for pipe and fittings, on the basis of its bid prices, and Ahrens & McCarron was named supply source for plumbing fixtures, during the next year.

Action was deferred to the July 10 meeting on bids on cafeteria paper goods to permit a study of quality specifications.

Bills paid amounted to \$51,456 in the education fund, \$5456 in federal funds, \$36,239 in the building fund, \$22,673 in the transportation fund, \$882 in the bond and interest account, \$30,915 in the cafeteria fund and \$124,290 in the new construction fund.

Included in the construction payments were \$85,288 to Leo Wolf, \$38,831 to Triangle Heating Co., \$13,889 to Rita Electric Co. and \$1815 to Sheppard, Morgan & Schwaab, all for work on Grigsby junior high school, and \$8775 to Rita Electric for work on the high school cafeteria building.

Payroll for May totaled \$402,572 in the education fund and \$5834 in the building fund, and travel allowances amounted to \$86.

Twins Arrive for Mr. and Mrs. Wiser. Mr. and Mrs. Raymond Wiser, 904 Twenty-fifth street, are announcing the birth of twin daughters Monday at St. Elizabeth Hospital. The infants have been named Lisa Alice, who weighed six pounds and five ounces, and Lora Alice, who weighed six pounds and 12 ounces.

The new arrivals have two brothers, James Michael, 3½, and David Brian, 2½. The mother will be remembered as the former Miss Marilyn Jeffries. Grandparents are Mr. and Mrs. Victor Wiser and Mr. and Mrs. James E. Jeffries, all of Granite City. Mr. and Mrs. Harry Williams, 253 Center street, are the twins' great-grandparents.

J. A. Business Meet Will Open on Sunday. About 400 teenagers representing 219 Junior Achievement companies will leave Sunday morning for a three-day J. A. business conference at the Mai Tai resort on the Lake of the Ozarks. The meeting will close on Tuesday.

If Area officers for the 1967-68 local Achievers Association will be elected. Discussion topics will range from "Business, Its Functions and Responsibilities" to "How to Improve J. A. Companies." Water skiing, boat and horseback riding will be provided as recreation.

Travel Tips for Vacationists by Quad-City Safety Council

Boy, Not Girl, Patient

Larry Webb, 94 Galesburg, Madison, submitted to surgery last week at St. Elizabeth Hospital rather than Mary Webb, as listed in Monday's surgical notes.

"Before leaving on that annual summer vacation, check your driving habits," Raymond Christman, president of the Quad-City Safety Council, advised today.

"After a long hard winter and a wet rainy spring, most families are planning that long

awaited summer vacation trip, so we of the Safety Council offer the following advice to motorists:

TAKE YOUR TIME!

Be realistic about matching trip miles to the number of vacation days you have. If you bite off too much of the map, you'll start hurrying and the hurry habit is one to avoid; it is at least frustrating, at most a killer.

DRIVE ONLY WHEN YOU ARE FIT!

You certainly won't enjoy long distance driving if you are tired, aching or ailing. Fatigue, certain medicines and drugs can reduce your driving to a dangerous level. Avoid tranquilizers, pep pills and prolonged use of as-

pirin. They may help you only to have an accident. Delay that cocktail until you are through driving.

TRAVEL BY DAY!

There is no substitute for driving with natural visibility and during normal waking hours. You can see more, you can see better and you are usually sharper behind the wheel.

SHARE THE ROAD!

One of the easiest ways to avoid accidents that can mar your trip is simply to cooperate with other drivers. By making room for everyone on the highway, you help yourself to have a safer and happier vacation.

KEEP YOUR GUARD UP!

Let's be realistic. The drivers

you meet on the road are strangers to you. You don't know how competent they are as drivers or what they are going to do.

RAIN REDUCES VISION, TRACTION!

Rain has trapped many drivers who did not take it seriously. The most dangerous time is when it begins to rain. The first drops mingle with dust and oil on the road and create a greasy film that can throw you into a tailspin. Remember, heavy rain can soak your brake linings and cause them to fail.

Another hazard created by rain is when your tires ride on top of the film of water. This is called hydroplaning. An average car will begin to hydroplane at about 35 miles per hour.

Meeting Tomorrow on Proposed N-S Street

The long-proposed north-south street on the east side of the railroad tracks from 22nd street to Pontoon road will be the topic of a special meeting tomorrow of the City Plan Commission with property owners. It was announced this week by William Hoelcher, chairman of the commission.

The meeting was requested by Seventh Ward Alderman K. E. Robertson, who made the recommendation for the thoroughfare two years ago.

Tomorrow's meeting at 1:15 p.m. will be in the mayor's conference room at the city hall. "We've notified about eight property owners to be present to determine if the land for the right-of-way will be available," Hoelcher said.

Robertson has requested the roadway to relieve congestion on other north-south streets. The state highway department in the past has objected to the connection with Pontoon road between the tracks and Nameoki road.

Truck Damages Signs

A van-type truck driven by Gerald Gibson, 2124 Delmar avenue, knocked down three street signs, jumped the curb and ran into the lawn of Albert Harding at 700 Broadway at 3:40 p.m. Monday, according to a report to Venice police. Officers said Gibson was driving west on Broadway when the truck went out of control on rain-slick pavement.

Gospel Chapel Bible School Starts Monday

Daily vacation Bible school classes will begin next Monday evening at the Gospel Chapel General Baptist Church, 2012 McCasland avenue, it was announced today by the pastor, Rev. Dale Meyer.

The sessions will be held each evening at 7 o'clock through Friday, June 23, and all age groups are invited to attend.

Rev. George Johnson will be in charge.

Tax Boost, Higher Prices In Offing, Rotarians Told

An income tax hike of from 6 to 10% right after the first of next year was predicted by George Frangoulis, St. Louis investor formerly located in Granite City, at a noon luncheon meeting of the Granite City Rotary Club in the YMCA Tuesday.

Speaking on the changing market, Frangoulis pointed out that while food costs have gone up on the index by 15% during the last four months, another 2% increase appears likely during the next six months.

In addition, he said, wages already are up 5 to 6% this year, while consumer goods are expected to increase in cost another 4% within six months, making a total increase of 11 to 13% for the 1967 year. Short labor rates also are expected to climb, Frangoulis added, pointing out that people now have more money than ever before and are able to pay off old debts and establish a better credit rating that allows them to borrow more than they have in the past.

He predicted a decline in the population of teenagers by 1980, along with a reasonable increase in the population of the 25 and 26-year-old group. In the next ten years, he told the group, the world will see more innovations than it has in the past 50 years.

Among these will be the development of automobiles in the electric or turbine class. He read an advertisement of 1907 offering an electric car that would travel 30 miles on one battery charge at 20 miles per hour and costing \$220. In comparison, he read a 1967 advertisement offering an electric car running 50 miles on one charge at 25 miles per hour, costing \$200.

The minor development in 60 years results from the fact that all technical ingenuity went into development of the gasoline motor. What would have happened, he conjectured, if the engineers had concentrated on the electric motor instead.

Club President William H. Thoele paid tribute to two Rotarians for their work in Rotary. He complimented Harold Thomas, as for his work as chairman of the youth committee, and Eugene Coe for his activity as chairman of the "Squeek" weekly club publication.

He spoke on the history and background of Flag Day, June 14, and urged every member to fly the flag on the annual observance.

Plans also were discussed for the District 646 golf tournament which will be held July 24 at the Gibson Woods golf course at Marmouth, Ill.

Auto Theft Charged After Police Chase

Careness Andrew Holt, 19, of 1735 Calhoun avenue, Madison, was charged with theft of an auto owned by Warren Taylor, 4210 Kirkpatrick homes, on Monday after he and a companion were arrested following a long chase by police.

During the car was Calvin L. Stevenson, 19, of 2034 Alton avenue, who faces 11 traffic charges in addition to resisting a police officer after he and a companion were stopped at Highways 157 and 40.

Holt was released on his own recognizance pending a hearing. Stevenson complained of being ill and was held Monday night at St. Elizabeth Hospital for observation.

Two Plan to Attend Home Furnishings Mart

Jack Friedman of Friedman's store and Bernard Isak of Friedman's Early American shop in Madison will attend the 1967 summer international home furnishings market June 19-24 at Chicago.

Friedman said, "This year we look forward to bringing our customers the latest in new decorating ideas from the country's top professional interior designers which will be found in the new series of 'How America Can Live' room settings at the furniture mart."

Rev. Vansuch succeeds Rev. Alexis Pedec, who was transferred to Ansovie, Conn. The new pastor was ordained by his Eminence Metropolitan Treney at the Holy Virgin Protection Cathedral in New York City on March 12, 1967.

He is a native of Campbell, Ohio, received his primary and secondary education in Campbell and continued his undergraduate studies at Youngstown University, where he received his A.B. degree in June 1965 with a major in social studies.

Rev. Vansuch continued his graduate studies at St. Vladimir Orthodox Theological Seminary where he was graduated June 2, 1967, receiving his BD degree. He is married to the former Frances Papharalambo of Warren, Ohio, who also studied at Youngstown University.

Rev. Vansuch is known to a number of Quad-Cityans, since he was active for three summers traveling with the Seminary Choir representing St. Vladimir's Seminary in its building fund campaign. He served as an assistant at the Holy Transfiguration Cathedral in Brooklyn, N. Y., prior to his assignment here.

Airman Michael James Assigned at Charleston

Airman Michael W. James, son of Mr. and Mrs. Virdeil James of 4129 Rode avenue, has received his first U. S. Air Force duty assignment after completing basic training at Lackland AFB, Tex.

He has been assigned to Charleston AFB, S. C., for training and duty as a construction specialist. He becomes a member of the Military Airfield Command which operates a global airlift system for U. S. forces employing more than 1000 modern aircraft.

Marine Pfc Arwin Bush On Vietnam Operation

Marine Pfc Arwin A. Bush, son of Mr. and Mrs. James E. Bush sr., of 2034 Hildebrand avenue, Madison, took part in fighting just south of Da Nang, Vietnam, as part of "Operation Union II," while serving with the Second Battalion, Fifth Marine Regiment, First Marine Division.

The operation is considered by Marines as one of the largest and most successful military operations in Vietnam. During the 11-day sweep through the area, the Leathernecks accounted for more than 600 of the enemy killed, with 400 of that figure being killed in just two days of fighting. While in Vietnam, his regiment forms the ground element of the Marine Corps air-ground team, and conducts large-scale search and destroy operations against the enemy in South Vietnam.

Navy Airman DuBay Completes Course

Aviation Electrician's Mate Airman David L. Du Bay, USN, son of Mr. and Mrs. William J. Du Bay of 1369 Edwardville road, was graduated from the Aviation Electronics School at the Naval Air Technical Training Center, Jacksonville, Fla.

During the course he studied fundamentals of electricity, electronics, aircraft electrical and instrument systems, troubleshooting and repair of aircraft electrical parts. He also received refresher courses in mathematics and physics.

Church of Nazarene Pastor Gives Report

Substantial gains in every department of the church were reported by Rev. G. M. Pace, pastor of St. Paul Church of the Nazarene, to members of the congregation at a recent annual meeting, held in the church building, 4300 Maryville road.

The minister announced that average weekly attendance at Sunday school classes exceeded previous all-time high records, while participation in regular Sunday worship services also surpassed prior to attendance on two occasions during the past year.

An election of church officials was conducted, with the following persons named:

Trustees—Glen Clinton, Eldon Cox, Claude Bowman, Elwood Cuppet and Gordon Farlow; stewards—Mrs. Betty Lipe, Mrs. Caroline Farlow, Mrs. Virgie Cox, Mrs. LaDonne Clinton and Mrs. Charlene Rushing; church school board—Delbert Parnell, Mrs. Farlow, Bowman, Clinton, Mrs. Cox and Cuppet.

Miss Donna Stovall was selected as delegate to the district assembly, set for the week of July 24, at the District Center near Springfield, Ill.

Marine Recruit Grad

Marine Pvt. Gary D. Pirie, son of Mrs. Ella M. Pirie of 1203 Kirkpatrick Homes, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot at San Diego, Calif.

Signalman Clyde Williams Sees Action in Vietnam

Signalman Second Class Clyde L. Williams, USN, son of Mr. and Mrs. Clyde J. Williams of 1101 Reynolds street, Madison, took part in the amphibious assault of the "demilitarized zone" (DMZ) which divides North and South Vietnam, while serving aboard the amphibious assault ship USS Princeton.

The search and destroy mission named "Operation Hickory" was a multi-unit offensive into the "DMZ" just south of the Ben Hai River. His ship helped put a special landing force of U. S. Marines, complete with tanks, weapons and ammunition into the area. The Marines were landed by small boats, as well as by helicopters.

30-Year Award to be Given Army Engineer

Alvin A. Ostermeier, area engineer in charge of the St. Louis area office, Army Corps of Engineers, will receive an emblem denoting completion of 30 years of federal service from Col. Edward E. Bennett, Chicago Army district engineer.

The award is being made in connection with the observance of the 192nd anniversary of the Corps of Engineers. Ostermeier has supervised extensive construction at the Granite City Army Depot, Scott Air Force Base and Nike sites protecting St. Louis.

State Sesquicentennial Fetes Being Planned

The Illinois Sesquicentennial Commission reports that more than 1000 celebrations of the 150th anniversary celebration of Illinois' statehood are now scheduled in the state's 102 counties. They will range from fish fries to fairs, from tree plantings to pageants and include a variety of spectacles, musicals, commemorative ceremonies and sports events.

"Celebrating 150 Years of the Good Life in Illinois" is the slogan chosen for the celebration. Observance of the 21st state's entry in the Union Dec. 3, 1818, will begin Dec. 3, 1967, and continue through Dec. 3, 1968.

3 sons, 6 Grandchildren Serving in Armed Forces

Robert Wynn Thomas, 17, son of Mrs. Mary Lee Brown of 1409 Washington avenue, left Tuesday for San Diego, Calif., to begin basic training in the Marine Corps, following a tradition already set by many members of his family.

Robert Wynn is the third son of Mrs. Brown to go into service, and the sixth grandson of Mr. and Mrs. Charles Thompson, 1738 Cleveland blvd., to enter the Armed Forces. In addition, Robert Wynn's father, James E. Thompson, was a 20-year veteran of Army and Navy service.

Two of Robert's Uncles, brothers of James E. and sons of Mrs. and Mrs. Charles Thompson, now are in service, giving Mr. and Mrs. Charles Thompson a total of three sons and six grandchildren serving in the various military branches. All of them enlisted.

Robert Wynn's brothers are Douglas H. Thompson, 19, who enlisted a year ago in the Marine Corps and is now stationed in California, and John Edward Thompson, 21, who enlisted in the U. S. Navy two years ago and is now attending a nuclear power school in Bainbridge, Md. Their father, James

E. Thompson, served 12 years in the Navy, followed by eight years in the Army. He was in action in both the Atlantic and Pacific war theaters during world war II.

Other grandchildren of Mr. and Mrs. Charles Thompson who are in service include Marine Pfc Carroll "Pete" Wallace, son of Mrs. Peter Billick, 611 Palmer avenue, Venice, who was wounded in action in South Vietnam, June 2, and his brother, Jimmy Roy Wallace, 25, who has been in the Army about four years and is now stationed in Pennsylvania.

The other is Richard Dunlap, 20, son of Mrs. Georgia Burger of Bend road, who enlisted two years ago in the Navy and already has been in service in the Vietnam theater of operations.

Michels' Son-in-Law Receives Doctorate

Mr. and Mrs. Joe Michels, 2696 Iowa street, attended graduation ceremonies at the Southern Illinois University-Carbondale campus during which their son-in-law, James Allen Stoffer, received his Ph. D. in Education.

Dr. Stoffer, a teacher at Colorado State Teachers College in Greeley, Colo., is married to the former Mildred Michels of Granite City. The latter, together with their four sons, arrived here last week from Greeley, where the couple make their home. Accompanying the Michels to Carbondale were Mr. and Mrs. Raymond Uram and Miss Mary Margaret Michels, of Granite City, and Miss Marian Heister of St. Louis. Other St. Louis friends also attended the commencement exercises.

Hoskin, Depot commander and new Optimist member; Dr. Raymond E. Troyer, Optimist president; John Solenberger, secretary; Floyd T. Mitchell, treasurer, and Fred Cunningham, vice-president. Absent for the picture was Herman R. Muelder, also a vice-president.

5-Day Program to Mark July 4 Observance

A five-day program of events that will include a softball tournament, a street dance, four-day observance of a midway of carnival rides and concessions and an elaborate fireworks display, will highlight this year's observance of the Fourth of July holiday by the Granite City Park district.

The program, to be held at the 29th street entrance to Wilson Park, will get underway on the night of Friday, June 30, with the opening of the five-day softball tournament in which 11 teams will compete this year, according to Park Supt. Harold Brown.

State Fair to Feature Championship Rodeo

The National Championship Rodeo, featuring cowboy bareback wild bronc riding, brahma calf roping, longhorn steer wrestling, cowgirl barrel racing, saddle bronc riding and brahma bull riding, will be presented in six performances at a special corral at the 1967 Illinois State Fair. There will be day and evening performances on Friday, Saturday and Sunday, Aug. 11, 12 and 13. Brought to the State Fair for the first time last year, the RCA Rodeo drew more than 20,000 spectators to four performances. The 10-day State Fair will open on Friday, Aug. 11.

The following day, Saturday, July 1, will include a full program of tournament games to be played during the morning, afternoon and at night, with the rides scheduled to open at 1 p.m. on the same day. Rides will operate on Saturday from the 10 p.m. opening until 10 p.m. at regular prices.

Brown said the park district with board has completed a program with Ray Swyer Rides of Ma, who will furnish a ferris wheel, merry-go-round, con-

test, octopus, scrambler, helicopter, kiddie wheel and kiddie cars for the carnival midway. Most Quad-City area clubs and organizations which plan to operate games and concession booths on the midway already have been signed up and a list of these will be completed and announced soon, Brown said.

Tournament to Continue
The fast-pitch softball tournament will continue Sunday, July 2, with afternoon and night games scheduled. Rides will operate on Sunday from 2 to 5 p.m. with special matinee prices of 15 cents. Regular prices for rides will be charged for the rest of the day, from 5 until 10 p.m.

Only a night game will be scheduled in the ball tournament on Monday, July 3. Rides again will offer a 15-cent matinee price from 2 to 5 p.m. on Monday, going to regular prices from 5 to 10 p.m.

Finals in the softball tournament will be played Tuesday afternoon and night. Rides will operate from 1 to 11 p.m. Tuesday at regular prices throughout the day and night.

The fireworks display is planned for 9 p.m. A contract has been completed with the Illinois Fireworks Co. of Danville, Ill., to provide and set off the fireworks.

'Compost' Waste Disposal Plan Proposed to County

Installation of a multi-million dollar "compost" waste disposal system under which waste from all of Madison county could be converted into salable products has been proposed to the Sanitation committee of the county board of supervisors by a St. Louis contracting firm.

While the plan was taken under consideration by the committee, which requested further detailed plans and comparative cost analyses, the county contemplates no definite action on a waste disposal program until completion of an engineering study which still is at least a year away. County Zoning Administrator Jack Clifford said Tuesday.

The proposal came from the MacDonald Construction Co. of St. Louis, principal contractor on the St. Louis Gateway Arch, whose representatives pointed out to county officials that the system would eliminate the need of sanitary landfills or incinerators and could be operated at a cost less than either of the other two methods.

Private Fund Financing
Morell Buehlmeyer of MacDonald told county members the system would be built with private funds. The county would receive 25% of the profits from the sale of products made from salvaged waste, and at the end of 20 years the plant and its equipment would be offered free to the county.

The county would pay approximately \$4 per ton on all waste dumped into the plant, although other plans could be devised under which cities could pay the dumping cost and share in the 25% profits on a pro-rated basis, Buehlmeyer said.

The system, used extensively throughout Europe but comparatively new in this country, accelerates the natural decaying process of waste material into an eight-day period by crushing the waste and pumping oxygen into it.

Magnets would pick metal out of the waste to be sold as scrap, while glass would be separated by handpickers and crushed into

salable powder. Handpickers also would remove paper and tags which would be sold to pulp companies. The decayed by-product of the remaining waste, primarily garbage, would be sold to gardeners as a soil loosener and to give plants better resistance to disease.

One of Several Plans
Clifford pointed out that the plan is one of several that may be considered by the county in developing a waste disposal program, but that nothing will be done toward formulating plans until the engineering study, to be made under contract by Southwestern Illinois Metropolitan Area Planning Commission, is completed.

This is still in the future, he said, because a grant for making the study was unavailable from the Home and Urban Development Agency and new requests for federal aid are being made to the U. S. Department of Health, Education and Welfare.

This places receipt of federal funds anywhere from four to nine months in the future, with about a year required to make the study, Clifford said.

Meanwhile, Clifford's office has begun preparation of notices to Madison County landfill operators to register with the county zoning office and make application for permits. The notices will be sent out by the end of this month, Clifford explained.

Know Your Polyesters

Whether you call them Dacron, Kodol, Vycron or Fortrel, all polyester fabrics require the same washday care.

Polyester is the family name for a whole group of fibers. Any garment made of one of the polyesters must be labeled as a polyester. But trade names are not always given.

All polyesters have wet and dry wrinkle resistance which means they won't become any more wrinkled wet than dry.

Any garment made with a blend of half polyester will hold pleats and creases that are pressed into it.

Another plus for the polyester group is its wicking action. Perspiration can come through the fabric and evaporate, adding to garment comfort.

Polyesters have superior wash and wear performance too. However, don't allow oily stains to set for more than 24 hours. Pre-treat stains immediately with a strong detergent even though you may not plan to wash the garment right away.

Pre-treat the neckline and cuffs with a liquid heavy-duty detergent just before washing. Rinse to remove soil and then follow regular washing procedure.

Another point to remember is that chlorine bleach doesn't make polyesters whiter. After repeated washings, white polyester fabrics may begin to look dingy yellow because they pick up and hold stains. The only cure is stripping or reconditioning with a detergent such as those recommended for automatic dishwashers. Some products include directions for this process on the label.

Wash polyester fabrics in moderately warm water, using a light agitation action. Drip-dry or spin in cool dryer. Hang and straighten garment, seams and collar.

For best results, follow the laundry instructions on the garment label.

Use Mothballs Safely

Reports from poison control centers in Illinois show that accidents involving children and mothballs hit a peak each spring when woolens are stored. Last

year about 135 children ate mothballs. The result can be illness as well as pain and injury.

Some homeowners also use mothballs to repel dogs around bushes and shrubs. Mothballs may save a bush, but they bear a striking resemblance to candy and may prove to be a temptation to inquiring youngsters. Follow these steps for the safe and key.

1. Store only clean woolens. Moths are attracted to soil spots on garments to lay eggs.
2. When you use mothballs, store woolens properly, in sealed containers—preferably in wooden chests that are inaccessible to children.
3. Keep mothballs—and other pesticides—stored under lock and key.
4. Burn empty paper pesticide bags, and stay out of the smoke. Burn out or wash other pesticide containers, and then haul them to the sanitary land fill or bury them.
5. Pesticides—insecticides, herbicides, and fungicides—accounted for 7 percent of the cases involving children under 12 years who ingested hazardous substances (from 1960 to 1964). But you buy:

1. Does wall-to-wall carpeting floor? If it is in good condition, one large rug or several small ones may be a wiser investment than wall-to-wall carpeting.
2. Do you have young children in your family? How much traffic will there be through the room? How much cleaning will be needed? Can you estimate the cleaning costs?
3. What is the condition of the study your family needs to get

Thompson Awarded Ph.D. At U. of Virginia

Mr. and Mrs. Malcolm A. Thompson, 4170 Breckenridge lane, returned home this week following a ten-day visit to the Washington, D. C., area.

High point of their trip occurred when they witnessed the awarding of a Doctor of Philosophy degree in Psychology to their son, Donald M. Thompson, at the University of Virginia, at Charlottesville, Va.

During the commencement exercises, it was announced that Dr. Thompson's wife, Dr. Annette (Spera) Thompson, who received her Ph.D. in psychology last August from the University of Virginia, had been elected to the Honorary Scientific Society of Sigma Xi.

Dr. Donald Thompson, a 1957 graduate of Granite City high school, received his Bachelor of Arts degree from Southern Illinois University, Carbondale, and his Master's degree from Virginia. He is employed as a research assistant at the Institute for Behavioral Research in Sylvia Springs, Md.

His wife, a native of Glenbrook, Conn., is an assistant professor at the American University in Washington, D. C. They make their home in Sylvia Springs.

Accompanying the Thompsons to the east coast were two other sons, David and Ralph Thompson, and a friend, Richard Cardwell. Mr. Thompson heads the local office of the Illinois Employment Service, while his wife is a mathematics and science teacher at Coolidge junior high school.

J. R. Burns Named to New Madison Dow Post

J. R. Burns, a 19-year employee of Dow Chemical Co. located at the Madison plant since 1951, has been promoted to the newly-created position of division planning and projects manager at the Madison division, according to Gerhard Ansel, division manager.

In the new position Burns will develop and execute plans for the improvement and expansion of the division's manufacturing capabilities. He also will conduct new product and plant site feasibility studies as they relate to overall growth plans in the metal products market.

Traffic Fatalities Up In State During May

Traffic fatalities in Illinois totaled 103 during the first 15 days of May, according to provisional reports, released by the Division of Highways and the state highway police. This was an increase of two per cent over the 101 traffic deaths reported during the same period in 1966.

The 1967 provisional death toll now stands at 783, an eight per cent decrease from the 855 traffic deaths reported during the same period a year ago.

Marine Pvt. Belmer Graduates at San Diego

Marine Pvt. Dave M. Belmer, son of Rev. and Mrs. Ivan R. Belmer of 1401 Kirkpatrick Homes, was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot at San Diego, Calif.

He will now undergo about three weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

Civil Defense Seminar Tomorrow at Depot

Granite City PRESS-RECORD
Page 32 Thurs., June 15, 1967

Federal executives from the two-state metropolitan region will participate tomorrow in a Civil Defense Seminar at the Granite City Army Depot, hosted by Col. Charles E. Hoskin III, Depot commanding officer. Representatives from 12 federal agencies and military establishments are expected to attend.

Sponsored by the Management Improvement Subcommittee for Civil Defense, Federal Executive Board of St. Louis, the all-day seminar will include addresses by key civil defense and federal agency officials, workshop sessions, report meetings, question and answer periods and a luncheon.

Col. Hoskin, who serves as vice-chairman of the executive board and Civil Defense subcommittee chairman, said today that most area agencies invited to participate have responded favorably.

In a statement issued by A. H. Sonntag, federal executive board chairman, the official said, "I consider the Civil Defense Seminar . . . one of the more important events of the federal executive board this year. I am encouraged by the enthusiasm, dedication and knowledge of the membership of the subcommittee and am certain that all participants will greatly benefit from the business sessions and informal discussions."

Designed to analyze existing civil defense programs and develop objectives for improving organization, techniques and training procedures, tomorrow's event is directed primarily to facility self-protection organization members and federal employees assigned safety and CD duties.

Registration will take place between 8-9 a.m., followed with a welcoming address by the Depot commander at 9 a.m.

The initial program, "Federal Responsibilities," will be presented by Robert D. Hubbard, Office of Civil Defense, Region VI, Denver federal records center, Denver, Colo.; William H. Jewell, chief of administrative services division, general services administration, Kansas City, Mo.; and Clarence L. Webster, self-protection coordinator, Military personnel records center, Overland, Mo.

The segment devoted to "Local Responsibilities" will be highlighted with talks by Col. James H. Bash of Jefferson City, Mo., who serves as Missouri state civil defense director; and Edward L. Gollermann, St. Louis civil defense director. Question and discussion periods will follow each presentation.

Facets of "Disaster Control" will be explored during the afternoon, when activities resume at 1:30 p.m. following a luncheon in the Depot Officers' Club. Keynoting this portion of the seminar will be Norman A. Myers, mayor, of Overland, Mo.

The remainder of the afternoon program will be spent in simultaneous workshop sessions, dealing with such topics as:

Nuclear Attack, Natural Disasters, National Civil Defense Program, Shelter in Federal Buildings, Family Shelter Program and Civil Defense Training Program. In conclusion, group report meetings will be organized.

Among the federal agencies expected to be represented are: St. Louis—Postal Data Center, St. Louis Common Carrier Field Office of the Federal Communication Commission, Bureau of Narcotics, Immigration & Naturalization Service of the U. S. Department of Justice, Aeronautical Chart and Information Center, Small Business Administration, Veterans Administration, U. S. Department of Commerce, U. S. Army Aviation Materiel Command.

Regional Commissioner of Customs, Veterans Canteen Service Field Office, Eleventh U. S. Army Corps, National Labor Relations Board, U. S. Civil Service Commission, Second Coast Guard District, U. S. Secret Service, Social Security Administration, U. S. Army Administration Center, Office of the Postmaster, Federal Deposit Insurance Corp., Military Traffic Management and Terminal Service, Field Office-Eastern Area, Federal Mediation & Conciliation Service, Region VI, Jefferson National Expansion Memorial, Postal Inspector Office, Railroad Retirement Board, U. S. Army Engi-

neer District.
Regional Directors Office, St. Louis Post Office, John J. Cochran Veterans Hospital, U. S. Army Mobility Equipment Command, U. S. Savings Bonds Division, U. S. Attorney Office, Federal Housing Administration, Internal Service, U. S. Geological

Survey, Water Resources Division, Farmers Home Administration, Wage, Hour and Public Contracts Division, Department of Labor, and General Services Administration.
Also included in the seminar will be delegates from Veterans 17, Federal Aviation Agency, Berkeley, Mo.

'Music under Stars' Tonight At 8 o'clock, Wilson Park

The first program in the "Music Under the Stars" summer concert series will be presented this evening at 8 o'clock at the 27th and Delmar entrance of Wilson Park.

The program is under the direction of Warren G. Simpkins,

Granite City high school vocal music instructor, and is sponsored by the Granite City park district. It is open to the public without charge.

The "Music Under the Stars Chorus" will sing selections from "The Music Man" by Wilson and "Oklahoma" by Rogers and Hammerstein.

Soloists will be Janet Young and Phyllis Boda, pianists; Alan Bogovich, accordion; The Collettes, girls trio, composed of Colleen Robertson, Gloria Schiber and Candi Jones.

The second "Music Under the Stars" concert will be Thursday,

June 29. "The Gay Nineties" will be the title of the show with a skit entitled "The Death of Vaudeville" as a special feature. The third concert will be "Folksy Night." Simpkins is asking that persons interested in participating to contact him at the high school or at his home.

Plan New Features at Sunset Hill Gardens

The addition of two granite fea-
tures in the development of Sun-
set Memorial Gardens are in pro-
duction and will be erected be-
fore the end of the summer ses-
son, according to Henry D. Kar-
andjoff, president of Sunset Hill
Trust and Sunset Hill Cemetery
Association.

Largest of the features which
will center the Garden of Faith
will carry a mural carving on
each face; one will depict Christ
in prayer at Gethsemane while
the other will be a reproduction
of Albrecht Durer's famous Pray-
ing Hands. The planting area, en-
closed in a low parapet of rustic
splitface granite, is part of the
Faith feature, uniting it with the
floral planning of the gardens as
a whole.

The second feature is a Mason-
ic Altar to center the Masonic
Garden section. The altar is en-
riched with pilasters in the Greek
Doric order and is topped by a
Bible opened to the concluding
verses of the Book of Ecclesi-
astes.

The altar bears not only the
familiar square and compass,
emblematic of the masonry in its
broadest sense, but also 15 em-
blems, representative of the sub-
organizations from Eastern Star
to the Jobs Daughters, and from
DeMolay to Commandery, Con-
sistory and Shrine.

Granite to be used in both fea-
tures is dark "Carnelian" unique
to eastern South Dakota.

Eight From Area at Easter Seal Day Camp

Eight youngsters of the Quad-
City area are among 45 children
of ages four to twelve attending
the Madison County Easter Seal
Society's Day Camp which
opened Monday on the Monticello
College campus. The camp pe-
riod will continue through Friday,
June 23.

Attending from this area are
Daria Haldeman, Geoffrey Wil-
kins, Vicky Branch, Louis Han-
sen, Mark Lallemand and T.
Reynolds, all of Granite City,
and Carolyn Moore and Mary
Thorpe of Madison.

Area clubs and organizations
providing "camperships" to send
the youngsters to camp include
the Coterie of Granite City,
Granite City Jayettes, Auxil-
iary to Madison Barracks 34,
Granite City Veterans of Foreign
Wars, Theta Theta, Beta Sigma
Phi of Granite City, Quad-City
Amvets, and the Granite City
Mother of Twins Club.

The Auxiliary of the Madison
Easter Seal Society is arranging
for noon-day lunches and a cook-
out Friday to which families of
the children have been invited.

GC Band Parents Name McMillan as President

Earl P. McMillan was named president of the Granite City High School Band Parents Association during the annual election meeting Tuesday evening in the band room annex. He succeeds Bernard Shepard, who was elected vice-president.

Other officers chosen for 1967-68, were: Mrs. Charles Landis, recording secretary; Mrs. Edward Zenik, corresponding secretary; and Dale Rea, treasurer. Louis E. Meek, band director, announced an estimated 136 students are expected to report this fall as candidates for the high school band. The figure exceeds

previous high student membership in the band. The remainder of the time was spent discussing operation of the association's popcorn stand, in connection with the four-day "Fourth of July" celebration in Wilson Park. Volunteers to assist with the project currently are being registered and work schedules arranged.

Thirty-four parents of incoming band students, together with present members, attended Tuesday's session. Refreshments were served the guests by the current executive committee. The next meeting was set for July 11.

'Friends of Music' Organized For Programs at SIU-SW

Organizational structure was established Monday for the Friends of Music of Southern Illinois University-Southwestern campus whose first meeting was held at 1 p.m. in the Lovejoy Library.

Among the nearly 30 area citizens named to posts in the new society were Mrs. Clyde C. Campbell, Alton, president; Mrs. Byron L. Morgan, Godfrey, vice-president as well as chairman of public relations; and Mrs. Erwin Roennigke, also of Godfrey, secretary.

Appointed chairmen of committees besides Mrs. Morgan were Dorothy Tulloss, assistant professor in SIU-SW's Fine Arts Division; program, Mrs. Ernest J. Knowles, Edwardsville, bylaws; Mrs. C. M. Stuchlik, Alton, membership; Mrs. Maurice J.

Dailey, Oak Lawn drive, Granite City, parliamentarian, and Mrs. A. N. Sullivan, Alton, publications.

Some of the above, including Mrs. Dailey, also were elected to the advisory board along with a number of others.

According to Mrs. Morgan, the Friends of Music is pledged to assist the campus in the advancement of music programs. She said this would be accomplished through efforts concerned with music appreciation, symposiums, visiting artists, establishment of scholarships and grants and development of a music library, with emphasis on encouraging contributions to it.

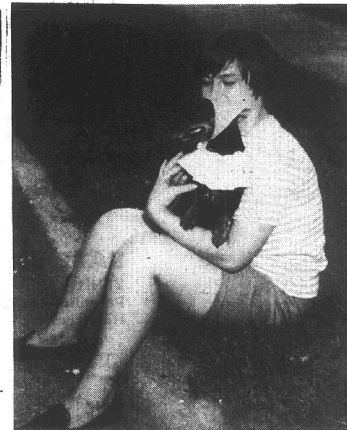

Assisting with the formation of the new organization were Charles Schweizer, assistant director of the Southwestern campus, SIU Foundation, and Lloyd Blakely, chairman of the music faculty.

Family Services Dalton Elected to State Post

Michael H. Dalton, executive director of the Family Service Agency of Southwestern Illinois, a Tri-Cities United Fund agency, was elected chairman of the Illinois Association of Family Service Agencies at a meeting of the organization held in Peoria Monday.

The Association concerns itself primarily with matters relating to marriage and the family on a state-wide basis. It also serves as a liaison between the Family Service movement and various departments of the state of Illinois, such as the Department of Mental Health and the Department of Children and Family Services.

The Family Service Agency provides professional marriage and family counseling services to residents of the Quad-Cities area and is supported by the Tri-Cities Area United Fund and three other United Funds. Quad-Cities' residents are ordinarily interviewed in the agency's office in suite 324 Murphy building, 234 Collinsville avenue, East St. Louis. Arrangements can be made by appointments only for clients to be interviewed in a Granite City office.

DRESSED UP for the parade is "Tiny Tim," a small dog belonging to Debbie Graville, 722 Washington avenue, Madison, one of many spectators who lined the Jaycee's Homecoming parade route.

Karandjeff to Study In Europe this Summer

Bob Karandjeff, son of Mr. and Mrs. Robert H. Karandjeff, 241 Cleveland blvd., plans to spend eight weeks in Europe this summer to study at the University of Salzburg in Austria. He will leave on July 10.

He will live with an Austrian family during his stay and will have the opportunity of becoming acquainted with the European people and culture while joining excursions through Switzerland, Austria and behind the Iron Curtain in Prague, Czechoslovakia. During the final week he will tour northern Europe.

Majoring in foreign languages which include German and Spanish, Karandjeff will receive college credit for Austro-European cultural and historical survey topics at Westminster College, Fulton, Mo.

The study trip is directed by Christopher Lucas and Henry Lanz of the college of education at Ohio State University, Columbus.

Surprise Event For Anniversary

The 25th wedding anniversary of Mr. and Mrs. Louis Lasiter was celebrated this week with a surprise party given by their son-in-law and daughter, Mr. and Mrs. John A. Mitchell, in the latter's home, 2057 Cleveland Blvd.

Many out-of-town guests, local relatives and friends gathered to honor the couple, who also ate the parents of a son, Michael Lasiter, presently serving in Vietnam. His wife, Ellen, a local resident, was present at the party.

The buffet refreshment table was appointed with varied silver decorations and illuminated by tall white candles, sprinkled with sequins. Assisting the hosts were Mr. and Mrs. Floyd Gallier and Mrs. Andrew Chiappa, of Alton.

The guest list included Mr. and Mrs. Larry Whitsell and daughter, Alisha, Mrs. Hazel Dietzler, Mr. and Mrs. Michael Papp and children, Michael, John and Kelly; Mr. and Mrs. Oscar Ash, Mr. and Mrs. Ben Willnot, Mrs. Michael Lasiter, Mr. and Mrs. Delton Grothius, Mrs. John Gordon, Mr. and Mrs. Jack McNeely and children, Maria, Janice, Joel and Mark, and Mr. and Mrs. Bert McNeely and son, Jim, all of Jacksonville, Ill. Mr. and Mrs. R. C. Snyder of Jerseyville, Mr. and Mrs. Larry Snyder and children, Karen and Kim, of East St. Louis; Mr. and Mrs. Andrew Chiappa and Mr. and Mrs. Victor Reed, Alton; Mr. and Mrs. William Maher, Brighton, Ill.; Mr. and Mrs. A. W. Mann, Columbia, Mo.; Mr. and Mrs. Lipton of St. Louis; and Mrs. Anna Gallier of Joplin, Ill.

MRS. DAVID G. SPARKES, the former Miss Virginia Kathryn Brock, a daughter of Dr. and Mrs. James C. Brock of Glendale, Calif., and granddaughter of Mr. and Mrs. Carroll Bright, formerly of Granite City, whose recent wedding took place in Spokane, Wash. Her husband is the son of Mr. and Mrs. Frederick W. Sparkes of New Westminster, B. C., Canada.

MRS. MARTIN L. LeVAULT, the former Miss Linda K. Taylor, a daughter of Mr. and Mrs. John Taylor, 3153 Jill avenue, whose wedding was an event of Saturday at St. John United Church of Christ. Her husband's parents are Mr. and Mrs. Melvin LeVault of Port Charlotte, Fla.

SIU-SW Graduate Is Honored

A lawn party and barbecue held this week honored Raymond Perjak of 2258 Cleveland Blvd., given by his wife, Sharon, to mark his graduation from Southern Illinois University-Southwestern campus, where he received his Bachelor's degree in Business Administration.

Perjak is employed as a scheduler in the Cold Strip department of Granite City Steel Co. He and his wife are the parents of two children, Lisa and Michael.

Out-of-town guests attending were Mr. and Mrs. Casmer Pierok, Mrs. Hattie Belinski and daughter, Charlotte, all of Nashville, Ill.; Mrs. Billie Dunan and Steven Millette, both of Chicago, and Stanley Pierok of Ashley, Ill.

Other guests were Mr. and Mrs. Glen Gibson and children, Mr. and Mrs. Eugene Hecht and daughters, Mr. and Mrs. George Gibson and children, Mr. and Mrs. George Downs and family, Mr. and Mrs. David Gibson and children, Mrs. Marilyn Higgins and children, Mr. and Mrs. Stanley Lucas and sons, Elvis Byrd and Mrs. Willene Thierry, all of Granite City; and Mr. and Mrs. William Lupa of Madison.

FORMER RESIDENTS MARK TRIPLE GRADUATION

Mr. and Mrs. William D. Martin of East St. Louis, former residents of Granite City, entertained more than 50 relatives and friends at their home this week in honor of the graduation of their daughter, Mrs. Mary Weber, her husband, David L. Weber, and the latter's mother, Mrs. Genevieve Weber.

The three graduates are Belleville residents, and received degrees during commencement exercises at Southern Illinois University-Southwestern campus.

Mrs. Mary Weber, a granddaughter of Mr. and Mrs. Jean Gomez sr., 1644 Delmar avenue, and Mrs. Florence Martin, 2527 Buxton avenue, was awarded a Bachelor of Arts degree in Psychology.

Her husband, who was graduated with a Bachelor of Arts degree in German, will continue his study of the German language at Salzburg University in Austria. Weber will participate in a program jointly sponsored by the Cultural Studies Academy and Ohio State University, Columbus, O., from July to September.

The senior Mrs. Weber was graduated with a Bachelor of Science degree in Elementary Education. Prior to their enrollment at SIU-SW, Weber and his mother attended Belleville Junior College, where they were the first mother and son to receive degrees at the same time. Their joint graduation was in 1964.

Active Year in Curbing Truancy; Officer Retires

Truancy calls made by Truancy Officer James R. Lowder during the 1966-67 school year totaled 1145, a report to the school board showed Monday night.

Lowder escorted to school 167 students, including 60 to Granite City high school, 38 to Central junior high, 35 to Coolidge junior high, 16 to Frasier junior high, eight to McKinley grade school, five to Maryville grade school, four to Logan grade school and one to Lake grade school.

Six cases were taken to court, including two students whose parents were found guilty and whose attendance subsequently improved. Two other cases were listed as pending, one pupil was sent to Boys' Town at Gratiot and one student was referred to a child welfare agency.

478 Known Cases

There were 478 known cases of truancy for all schools during the year, Lowder reported.

His report for May showed 35 known cases of truancy and 82 home calls, with 121 miles driven. A statutory letter was delivered and two days were spent in court. Four cases were referred to the Coordinated Youth Services during the month.

Lowder, former Granite City police detective chief, was among the employees whose resignations were accepted by the board Monday night.

A decision on the timing of a replacement will be made after fall attendance and truancy trends are studied, Frank Kraus, assistant to Supt. Bob J. Davis, will represent the district at truancy hearings for the time being.

Efforts Praised

Supt. Davis praised Lowder's work and said a complete procedural file has been developed by Lowder to simplify the truancy duties.

Other resignations accepted were those of Carl Henson, Caseyville, GCHS mathematics and chemistry teacher, who will join the McDonnell-Douglas Aircraft Co.; Mrs. Norma Lesko, Mitchell, second grade teacher at Mitchell school, who cited personal reasons; and Ronald E. Wood, Gillespie, who will end his duties as assistant wrestling coach at Coolidge junior high school.

Newly approved retirements were those of Rex A. Niles, 2701 Center street, GCHS drafting instructor; Mrs. Amy Prussman, 2017 Delmar avenue, Logan school, fourth grade teacher, who has taught in Illinois 21 years; and Mrs. Ranie Graham, 2012 East 24th street, a Central junior high school cafeteria employee.

Formal action was taken on the previously announced retirement of Mrs. Jean Paplanus, Overland, Mo., a McKinley school first grade teacher.

Mrs. Beverly Foote, 1807 Primrose avenue, a Knox College graduate with seven years of teaching, is returning from leave of absence to teach a second grade class at Maryville school.

Five Seven Teachers

Seven teachers were hired for the 1967-68 school year: August Michael Catanzaro, Alton, SIU graduate with two years of experience, GCHS business education; Norman Stanley Owca, 1801 Fourth street, Madison, master degree from Murray State College and five years of teaching, also GCHS business education.

Mrs. Anita Svezia Wick, Pasadena, Calif., SIU graduate with two years of teaching, Coolidge junior high home economics; Andrew Joseph Yurko, 2800a Marshall avenue, SIU 1966 bachelor degree, Central junior high mathematics and "block of time" (special studies and English).

Mrs. Sandra Gail Bowler, 54 Cambridge drive, SIU degree of one year of experience, Nidringhaus second grade; Miss Kay Frances Robinson, Highland, Indiana State graduate and a two years of teaching, Namsoki kindergarten; and Mrs. Harriet Byrd Ward, Hazelwood, Mo., Southeast Missouri graduate with three years of experience, Maryville third grade.

Pentecostal Church to Hold Musical Benefit

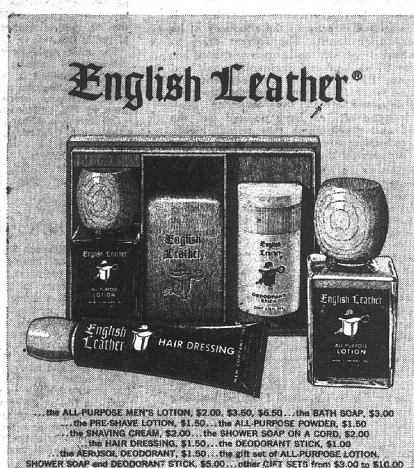

The Pentecostal Church at West 25th street and Dewey avenue will sponsor a church benefit at 7:30 p.m. Saturday, June 24. Five widely-known groups of Gospel singers are expected to participate in the program, according to Rev. Ross Smith, pastor, who said the public is invited to attend.

Musical selections will be presented by The Harmony Echoes, The Country Gospel Singers, Four Tones, The Melodians and the Wallace Quartet.

In Hospital for Tests

Mrs. Marie Skeen, 2452 State street, is a patient in Jewish Hospital, St. Louis, where she is undergoing tests. Mrs. Skeen entered the hospital last Thursday.

Former Chief Assails Madison Hiring, Moonlighting, Efficiency

To the Editor: The President's Commission report on crime that came out in February was indicative of a growing national interest in the problem of crime. As stated in its last paragraphs: "The Commission's recommendations must be implemented through a strategy for change involving all levels of government, private groups, and every American citizen."

These directives are framed in general terms with much concern for problems in the larger cities.

But on the level of smaller towns, especially those in large urban areas, this plan for community reorganization and more specifically for police, well-planned and renovated police departments to handle crime problems is quite as valid.

Even if there were no crime problems, the changing texture of criminal law is requiring more and more in the way of training and interest of department personnel in handling the problems that arise.

The city of Madison does have crime problems. In the past three years, their police department has made little progress and has, I think, in some respects taken steps backward.

(1) Untrained civilians, not employed under the Police and Fire Commission Act adopted by Madison in the early 1950s, are doing non-political job security, have been appointed to normally police-oriented desk and record jobs.

(2) Some police department personnel on most levels of authority have outside interests or other jobs which tend to make their police work secondary.

(3) Investigations in preparing cases have been rather casual in the past few years, and department morale is understandably low.

A first and big step in remedying the situation would, I think, be to put some sort of controls upon personnel selection, if by no other means than by making applicants, qualifications and choices public.

It is important today that new police officers be put on the job by proper tests and on their own merits, not by the whims of the politicians.

From the top to the bottom, they should have a real interest in helping the police department and community, and not simply a secondary interest in police work.

Now, many of the policemen are willing and even eager to be trained and get better equipment. Their problem is a common one: they can't get it.

us of the past, of the men and women who went before us, and of the records they wrote upon it.

In every community, many flags used by schools, churches, synagogues, business groups, and youth groups were gifts of JUV DUT Tents as a reminder of the rights and privileges of the citizen of the United States.

Now, many of the policemen are willing and even eager to be trained and get better equipment. Their problem is a common one: they can't get it.

us of the past, of the men and women who went before us, and of the records they wrote upon it.

In every community, many flags used by schools, churches, synagogues, business groups, and youth groups were gifts of JUV DUT Tents as a reminder of the rights and privileges of the citizen of the United States.

SOCIETY

Nona Gene Hobbs Is Engaged

The betrothal and forthcoming marriage of Miss Nona Gene Hobbs and Robert P. King are being announced by the bride-elect's parents, Mr. and Mrs. Ralph Hobbs, 885 Madison court, Manchester, Mo., formerly of Granite City. The prospective bridegroom is the son of John T. King, 10 McNulty drive, Manchester, Mo., and the late Mrs. Eleanor King.

Miss Hobbs, a graduate of Granite City high school, is an employee of McDonnell Douglas Corp. and a student at Meramec Community College in Kirkwood, Mo.

Her fiancé, a graduate of Parkway high school, Chesterfield, Mo., has served three years with the U. S. Army. Currently, he also is employed by McDonnell Douglas Corp. and attends Meramec Community College.

The wedding date has been set for Oct. 7.

Shower Honors Mrs. Hilker

Mrs. Robert Hilker, 34 Miami court, was complimented at a cradle shower this week, co-hosted by her sisters, Mrs. Dean Talley and Mrs. Louis Renack, and her sister-in-law, Mrs. James Strack, at the latter's home, 2187 Lynch avenue.

Decorations included a tilted shower-can suspended above the gift table, surrounded with a series of round blue mobiles. Games were played for entertainment, followed with cake and punch served by the hostesses. Table appointments were in keeping with the shower theme.

Many gifts were presented the guest of honor, who will be remembered as the former Miss Rose Strack.

Local guests included Mrs. Mike Zikovich, Mrs. Raymond Hilker, Mrs. Clarence Hoy, Mrs. Ben Strack, Mrs. Alan Gasparovic, Mrs. John Smith, Mrs. John Toncoff, Mrs. Preston Wallace, Miss Margaret Heinemann and Miss Annette Gasparovic. Present from out-of-town were Mrs. Harry Serfas of East Alton and Mrs. Pat Logan of Hartford.

AUTUMN BRIDE-TO-BE. Miss Nona Gene Hobbs, whose parents, Mr. and Mrs. Ralph Hobbs of Manchester, Mo., formerly of Granite City, are announcing her engagement to Robert P. King, a son of John T. King of Manchester, and the late Mrs. Eleanor King. An October wedding is planned.

Women's Group To Hear Hoener

An evening of thought-provoking entertainment is promised Tuesday for members of the Granite City Steel Women's Association when the group will be transported into the "land of the supernatural" by an expert psychic investigator and parapsychologist.

Guest speaker at the association's June dinner meeting will be Gordon J. Hoener, a marketing management consultant and president of the Psychological Research Society of St. Louis, who will reproduce psychic phenomena in his "Adventures in the Unknown," a psychic lecture-demonstration.

Hoener, widely-known in the Quad-Cities through his association with Granite City Trust and Savings Bank, is a noted authority on extra sensory perception, ghosts and hauntings, metaphysics, thaumaturgy, alchemy, witchcraft and sorcery, demonology and voodoo. His skills have been recounted in several publications and witnessed by television viewers.

The respected St. Louis businessman, who recently was promoted to vice-president of sales for Chapman, Associates-St. Louis Division of Success Motivation Institute, has promised his audience a week-ahead prediction of headlines to appear in the Granite City Press-Record.

In his demonstration, Hoener will present examples of psychic phenomena such as clairvoyance, metal telepathy, psychometry, telekinesis, "spirit"-writing and precognition, including the headlines prediction.

He claims nothing supernatural in his abilities, but reports he has developed his pseudo-psychic demonstrations through what he terms, "Psychophysics"—a combination of applied psychology and forensic science.

FAC Class Holds Final Meeting

Members of the FAC Class of St. Peter United Church of Christ were entertained for the final meeting of the season Monday evening in the home of Miss Ann Soehlig, 2763 Nameoki drive.

Mrs. Frieda Bennington, president, was in charge, and in games, prizes were awarded to Mrs. Marie Whittle, Miss Myrtle Soehlig, Mrs. Florence Hadalov, Mrs. Esther Zimmer and Mrs. Virginia McLester.

A dessert course was served to 12 members. Monthly meetings will resume in September, with Mrs. Eleanor Patterson of Colinsville as hostess.

Placement Report

25% of SIU Grads Have Jobs With Business, Industry

One-fourth of Southern Illinois University's 1966 graduates accepted jobs in business or industry, the annual report of the Placement Services at Carbondale reveals.

This 25 per cent—845 out of the total of 2,296—compares with 22.8 per cent of 1965, 24.6 in 1964, 22.9 in 1963 and 19.8 in 1962, the report shows.

Thirty-four per cent, or 894, entered the teaching field, 23 per cent are enrolled in graduate schools, 12 per cent are in the armed forces, and 4 per cent did not desire employment. The remaining 2 per cent have not reported.

The increasing demand for college graduates by business and industry brought 500 interviewers to the Placement Service to interview students, a 25 per cent increase over 1965.

Average salaries paid the 1966 graduates were higher than in 1965, ranging from \$6,521 for the non-technically trained graduate in business and industry—an increase of 6 per cent—to \$7,464 for the graduate with technical training, only a slight gain, the report shows.

Salaries paid those entering teaching as a profession were

also somewhat higher. The 1966 graduates with bachelor's degrees going into elementary schools received an average \$5,931, an increase of 3.3 per cent over 1965, the beginning high school teachers with bachelor's degrees, \$5,551, an increase of 6.2 per cent; the master's degree graduates in elementary schools, \$6,889, up 5.1 per cent, and the master's degree graduates in high schools, \$6,871, up 8.8 per cent.

The 1966 graduates occupied positions in 83 of Illinois' 102 counties, in 43 states and 26 foreign countries. Seventeen per cent of those going into business and industry remained in southern Illinois, while 45.2 per cent of those accepting teaching positions chose southern Illinois.

"Many of the employers who visited the campus were just as interested in interviewing two-year graduates of the Vocational-Technical Institute as they were in interviewing candidates for the bachelor's or the master's degree," the report stated.

Venice Summer School To Start on Monday

Summer school sessions will start in the Venice public schools at 9 a.m. Monday, Roger Davis, principal, announced today.

Four-long classes will run until noon with the exception of personal typing which will last two hours. All pupils are to meet the first day in the new gym where they will receive class assignment cards, instructions and regulations for summer school.

First day sessions will last only 40 minutes each and will begin at 9:30 a.m. and end at 11:30 a.m. There will be a short teachers meeting after the first class on the first day.

Pupils who have not pre-registered will have to come to the grade school principal's office to do so, Davis said. No one will be admitted to a class without a class assignment card from the principal's office. Registration will close on June 23.

In contrast to the head start program, Davis said, that no transportation is furnished for the summer school program.

Rich May Delay Tax Collections For Another Week

Delay in completing the remodeling of new quarters for the comptroller's office in the city hall possibly will hold up collection of Granite City taxes, at least for another week, E. R. "Pat" Rich, said today.

Tax collections had been scheduled to begin next Monday but were held up last week when it became apparent the comptroller's office would not get moved into remodeled offices in the old Rich said, tax bills will be courtroom on the second floor of the city hall.

Once the comptroller's office moves from its present offices, tax bills will be charged with payment directly across from the treasurer's office, Rich said he will move part of his department into the former comptroller's quarters. This move is necessary to provide sufficient room in the

present treasurer's office to permit tax collection work, Rich explained.

"We cannot begin tax collections until we can move the sever collection division into the other offices," Rich said. We just don't have the room that we need now to begin collecting taxes." The present treasurer's office is in the same quarters with the city clerk's office.

The comptroller's office had planned to move into the new quarters last week, but the move was delayed when workmen did not complete installation of light fixtures.

If it becomes apparent the office can be moved this week, Rich said, tax bills will be mailed probably on Friday and tax collections begun next Monday. Granite City taxpayers will be charged with payment of \$7,272,795 in 1966 personal and real estate taxes.

Nearly 300 Students in GC Qualify for Presidential Fitness Awards

Nearly 300 students from the Granite City school district will receive the Presidential Youth Fitness Citation awarded by President Johnson, based on records made in the annual youth fitness testing program conducted this spring.

All boys and girls in grades five and six, in all elementary schools, all girls in grade seven through nine, and girls in the track and field classes at the high school were given the opportunity to qualify for this award.

Testing was carried on as a culmination of the year's daily program, with reports sent home to parents at the close of the year.

In addition to the status report, test scores are used by teachers to analyze the effectiveness of their teaching methods in the attainment of course objectives related to fitness.

Last year, 145 students received both the parchment citation and the badge representing this achievement. Of these, 85 will be awarded a second year award due to their consecutive attainment.

Only about 550 were awarded in all of Illinois. Last year, Illinois finished third nationally in total number of award recipients.

To qualify for the Presidential Citation, students must score in the 85th percentile or better in each of seven test items and have the endorsement of both their physical education teacher and their school principal that they are good citizens.

Items include: 50-yard dash; 600-yard walk run; shuttle run; standing long jump; softball throw for distance; sit-ups; and pull-ups (endurance hang for girls).

Scores are mailed to Washington, D. C., where they are analyzed and, if accepted, the awards are mailed from the White House.

Those who qualified and their schools include:

Emerson: Dona Roseman, Kathy Raub, Karen Graham. Webster: Mike Jackson, Bobbie LeMew (2nd yr.), Christy Baker.

New Junior College Project Set at SIU

The dean of the college of education at Southern Illinois University at Carbondale is looking forward to the first students this fall in the new Ford Foundation occupational instructor project.

Elmer J. Clark described the project, a joint venture of the university and the Junior College District of St. Louis and St. Louis county, as a "most promising development" in the adequate preparation of junior college teachers and administrators.

Clark, who said that "whether or not we can solve the problems in the preparation of junior college teachers... will be a major factor determining the success or failure of tomorrow's junior colleges," talked specifically about the project sponsored through a \$200,000 four-year grant of the Ford Foundation. Ken August Brunner, chairman of higher education at SIU, is acting director.

The project, Clark said, has established three master's degree curricula: (a) a one-year program for teachers of academic courses for occupational students, such as communications, social science, and technical mathematics; (b) a one-year program for teachers of occupationally courses, such as data processing, secretarial science, and technology, dental hygiene, and library assisting; and (c) a three-year program for graduates of two-year, post-high school occupational programs with associate degrees or similar awards.

Stipends will be paid during the internship period at one-half the rate paid for full-time faculty members with comparable qualifications.

Clark said present plans call for 10 to 15 students for the internship experience in the fall of 1967 and not more than 25 to 30 students each succeeding term through the spring of 1970.

Vietnam River Patrolling Calls for Close-In Fighting

HIGH SPEED RUN by a U. S. Navy Swift boat as it speeds to its patrol area to relieve another Operation Market Time boat that has been on station more than 24 hours. It is important to have a fresh, alert crew on patrol.

SWIFT BOAT SAILORS stand armed and ready as a junk is called alongside for search. Even the most innocent-looking junk might turn out to be an enemy craft, heavily armed with automatic weapons.

PATROL OFFICER checks identification papers of a junk's crew and the cargo manifests. If all the papers or manifests are not in order, the junk and its crew are taken to the nearest Vietnamese outpost for investigation.

GC Sailor Fights River Patrol War in Vietnam

Seaman Pat H. Alexander, 21, son of Author N. Alexander, 1818 State street, is fighting a different type of war in Vietnam.

It's a naval war at close-in, point-blank range, a throwback to the Civil War days of river patrols. It is usually boring and tedious, but at times exciting.

Seaman Alexander, a 1964 graduate of Granite City high school, has been fighting this kind of war off the coast of Vietnam along with other men of Coastal Division 12, on patrol aboard high-speed Navy "Swift" boats searching for the enemy. Although the Swift is small

and light, it carries an arsenal of twin .50-caliber machine guns and a combination of a .50-caliber machine gun and an 81-millimeter mortar. In addition, each crewman carries an automatic rifle as well as hand grenades.

Market Time Coastal Division 12 is part of the Navy's Market Time, the operation designed to prevent infiltration of men and supplies to the enemy ashore in South Vietnam.

Days may pass with nothing unusual happening—days of doldrums and frustrations. Then a sampan or junk makes for the beach in an apparent attempt to avoid inspection.

The Swift boat's siren whines across the water and its powerful engines surge as the Swift boat takes up the chase. Machine gun fire, sending a spray of lethal lead at the pursuing Navy boat, erupts from the evading craft. Enemy snipers on the beach begin crossing the Swift's deck with accurate rifle fire.

Bursts from the Swift's .50-

GUNFIRE SUPPORT by two Navy Swift boat sailors who man the Swift's aft 50 "over-under" weapon, a combination .50 caliber machine gun and 81 millimeter mortar.

caliber machine guns send the enemy scurrying for cover.

Enemy Caught The division has the largest patrol area, covering an expanse from the demilitarized zone to just north of Qui Nhon.

Other actions are on a larger scale. In March of this year two Swifts patrolling from Chu Lai made contact with an 80-foot, steel-hulled Communist trawler.

The trawler was destroyed in the early morning light, scattering hundreds of tons of arms and ammunition on the beach and in the surf.

24 GCNS Students Ask Junior College Aid

Twenty-four requests have been received from Granite City high school graduates to pay for tuition to junior colleges in the state for the next school year.

It represents a heavy increase from only four or five who made requests this year.

At Venice, two students have applied for tuition pay by the school district, compared to three last year. The total for Madison county rose from 47 to 115. The Madison school district had none.

Under state law, school districts which are not located in Class I junior college districts must help pay tuition for their students wishing to attend junior college districts elsewhere in the state if they request it.

The districts must pay the full tuition except the amount reimbursed by the state. Nearly three weeks remain for high school graduates to apply for assistance from their school districts.

A referendum proposing establishment of a junior college district for this region was defeated April 1.

Register in June for Jr. College Attendance

All students who live in non-junior college districts and fail to notify their high school board by July 1 of their intent to attend a junior college will probably be denied the opportunity to attend a junior college.

Junior College District 522 with its college located at Belleville, will adhere strictly to the policy. Consequently, it becomes the responsibility of the individual student to contact and request from the superintendent's office of the local high school and/or unit district an authorization before July 1, if he wishes to enroll in any junior college of his choice between July 1 and June, 1968.

At the present time, Junior College District 522, Belleville, will continue to receive applications for attendance at Belleville for the school year 1967-68 from students who live in a non-junior college district.

James Youth Starts Engineering Course

Steven James, 17, a 1967 graduate of Granite City high school, departed this week for the University of Illinois, where he will participate for the next 11 weeks in a special instruction program at the University's School of Engineering.

A son of Mr. and Mrs. Robert E. James, 3234 Westchester drive, the youth has been selected to take part in a work-study educational project under the supervision of the State of Illinois.

\$70,000 Granted for Area Training Projects

Nearly \$70,000 has been authorized by the federal government for use by Southern Illinois University-Southwestern campus for community training projects in the area.

The largest grant is \$42,738 which will be used for training lay leaders for study groups in parent-child relations. It is under the auspices of the education division at the local campus, with Cameron W. Meredith, professor of educational psychology, serving as project officer.

The next largest allocation is \$22,678 issued for the second phase of a community worker training and evaluation project in St. Clair county. Now in its second year, it will continue to be administered by John Hawley, director of community development services at SIU's Carbondale campus.

Another \$2516 has been authorized for training planning and zoning officials in Madison, St. Clair and Monroe counties. The project is supervised by Carl Loosau, associate professor of the earth science faculty at the local campus.

Starfish Fossils Found by Geologists

One of the world's few reported concentrations of tiny starfish-shaped fossils has been found in a Saline County strip mine area by two Southern Illinois University geologists.

George H. Fraumfelter and John E. Utgaard, SIU assistant professors of geology, discovered the microfossils imbedded in limestone boulders in a small area of strip mine bank near Carrier Mills. They say the fossils are an extinct primitive form of starfish belonging to the Eridocystoid group. They are not more than a half-inch in diameter and sometimes are attached to imbedded mussel shells. Although living about 300 million years ago, they are comparatively young as geologists consider time, and are called the most recent of the Eridocystoids.

TERRY HULSE Terry Hulse Gets Arion Foundation Band Award

Terry Hulse, 14, a Coolidge junior high school student, has received the Arion Foundation band award. It was announced today by Robert D. Todoroff, band director.

The presentation was made at the last regular rehearsal of the school band. Judging was on a basis of a 10-point requirement list as set by the national foundation.

The Hulse girl has studied the flute for five years and has been the first chair flutist with the Coolidge band for two years. She also studied the piano for six years.

During her music instructions in the Granite City schools, she has participated in three all-county band festivals and held first chair in the last festival band. She performed as soloist with the Coolidge band in the past season.

She is active in the Youth Fellowship of the Central Christian Church, is a past president of Chi-Rho and sings in the church choir. Her hobbies include tennis and swimming. While her future plans remain indefinite, she plans to attend college.

Her parents are Mr. and Mrs. Roy Hulse, 2904 Fortune drive.

Program Set Tonight By Bible School Pupils
A closing program for 124 pupils of the vacation Bible school will be conducted at 7 p.m. today at St. John Lutheran Church, St. Charles and Dale avenues. The evening also will include inspection of handicraft projects and presentation of certificates.
Theme of this year's program is "The God I Love," which will be illustrated with a series of nine Bible stories flashed upon a screen. Children of the junior department will explain the stories and sing appropriate hymns.
Teachers will present the pupils with certificates for attendance and class work, and Rev. Samuel Boda, pastor, will make a similar presentation to members of the teaching staff and assistants.
Serving as teachers for the two-week Bible school were Mrs. Denise Schmitz, Mrs. Helen Springer, Mrs. Helyn Potter, Mrs. Cecelia Holman, Mrs. Loraine Wilson, Miss Phyllis Ann Boda, Mrs. Betty Lyons, Miss Barbara Azari, Mrs. Frances Muskonis, Mrs. Mary Ann Kaminski, Miss Sharon Azari, Miss Terri Cell and Michael and Susan Greco.
Those who assisted in class work and handicraft projects were Mrs. Peggy Weiffer, Mrs. Johanna Roberts, Mrs. Bernice Dahms, Miss Debbie Pool, Miss Ruth Ann Holman, Miss Patricia Smith, Tommy Greco, Jim Boda, Charles Holman Jr., Linda Oram and Joni Miller.

Ballroom Dance Classes to Begin
The YMCA today announced dates for its annual summer ballroom dance class for adults. Kay Jones, instructor for the class, said eight lessons will be taught Tuesday evenings from 7:30 to 8:30. Instruction will begin June 20 and end Aug. 15.
Basic steps of swing, foxtrot, waltz and cha-cha will be taught. All classes will be held in the air-conditioned "Y" auditorium. Single or married adults are being encouraged to attend.
The fee is \$12 for "Y" members and \$14 for non-members. Those interested may register in advance or on the night of the first session at the YMCA.

Depot Adds Alabama Flag to Collection
Following a tradition started several years ago in collecting state flags of Army and National Guard units training here, the Granite City Army Depot added the Alabama state flag to its collection this week.
The assortment of flags at the Depot's headquarters building now is at about a dozen with the Alabama flag received by Col. Charles E. Hoskin III, commander, in his offices. The presentation was made by Major Lewis W. Ritter, senior supply technician, U. S. Property & Finance office, Montgomery, Ala., and M/Sgt. David R. Lemons, Engineer Supply and parts specialist of the 205th Engineer Co. (D), Berry, Ala.
Major Ritter is here to assist the 205th Engineer Co., a reserve company on annual active duty training at the depot for two weeks.
With Col. Hoskin at the ceremony was Sgt. Major Raiford Ivey of the Depot.

Speeding Charge Filed
Robert W. Wetzel, 3200 Wayne avenue, was charged with speeding at 2600 Iowa street at 1:45 p.m. Tuesday.

1965 Auto Stripped, Burned in Venice

Venice police were attempting this week to trace ownership of a 1965 convertible auto found stripped and burning behind the gymnasium of Lincoln school early Tuesday morning. License plates were missing from the car.

Venice firemen, called to extinguish the blazing car, reported they found a five-gallon gasoline can and a "Molotov cocktail"—a bottle filled with acetate and a rag fuse—near the car.

Two rear seats, the rear wheels and other parts of the car were missing, firemen said. Police said they hope to trace ownership through the serial numbers.

Independence Day Bell Ringing Planned

Committees for the "Bells on Independence Day" celebration have been completed with religious, civil and patriotic organizations joining in the annual July 4th event.

Edward B. Akin, Mason City, coordinator of the program, said the ringing of bells in schools, churches, village halls, carillons and other public places will be at 1 p.m. Tuesday, July 4.

One minute of bell ringing will be staged nationwide in observance of the birth of the United States.

Parked Car Damaged

A parked car owned by Arthur Mathews, 307(1) Weaver street, Venice, was damaged at the right side Monday when it was struck by a car driven by Alfred E. Cummings, 1315 Madison avenue, according to a report by Venice police.

Cummings told police he struck the car as he made a left turn while going south in the alley behind Weaver street.

Electronic Accounting Under Study for GC School Office

A decision is expected to be made at the June 26 Granite City school board meeting on possible purchase of an electronic accounting machine to be used by the school district's business office. Cost would be \$33,000, less a \$200 allowance for present equipment.

The board will witness a special demonstration of the machine at 7 p.m. June 21 at the Burroughs Co. in St. Louis. It has been programmed for an operation similar to that of the school system.

A \$7870 accounting machine, which cost a net of \$9840 after trade-in of old equipment, has been in service here since January 1963. Since then the scope and volume of the work has increased and the machine no longer adequately handles the load, Comptroller Victor G. Anderson has told the board. Repairs have become more frequent, sometimes delaying needed work.

"Visits have been made to equipment demonstration meetings as conducted by both the National and Burroughs corporations," Anderson said. "Both unquestionably have fine equipment and the costs are very similar. The National equipment requires that district personnel be trained in programming, and I don't believe we have the staff available for the substantial amount of released time necessary for such training. The other equipment is pre-programmed by Burroughs personnel for the particular business operations needed by the district; this would include payroll, the various accounting processes and, if desired, inventory control records."

The machine under consideration has such features as solid-state circuitry; millisecond computation; 2400-position core memory; internal and external programming; punch card, magnetic stripe ledger and console input; and type to and from memory.

"Spread over a five-year period, cost for outright purchase and full maintenance is about \$7700 per year without consideration of the value of the equipment at the end of the five years," Anderson noted.

"We would be providing the equipment necessary for preparation of an estimated 100,000 payroll checks during such period, plus preparation of about 7000 W-2 forms as well as the record-keeping and voucher check issuance essential to a \$10 million yearly business operation."

Utilize in 1968
If the machine is purchased, about six months would be required for procurement, programming and testing. Payroll operation would begin Jan. 1, 1968, with the remainder of the accounting process put into effect July 1, 1968.

The machine does not have capacities for grade reporting and class scheduling. Some of this work currently is being done through rental of time on a McDonnell Co. computer.

An electronic data processing installation which may be considered in the future would be costlier than the machine now under study. It would handle grades and scheduling and also would be used to instruct students. Trained programmers would be required.

The board conferred last night with Granite City park officials on potential future sites, and on Sunday afternoon will attend high school commencement exercises at Booth Memorial Hospital, St. Louis.

The next board meeting will be June 26 instead of June 28 due to attendance by Supt. Bob J. Davis at a "middle school" conference in Gainesville, Fla., that week.

Anderson, School Board Secretary E. Walton, assistant to Heubner, director of buildings and grounds, are to attend the annual meeting of the Association of School Business Officials of the U.S. and Canada Oct. 14-19 at Miami Beach, Fla.

Data Processing Investigated
A report was received from Thomas Noeth, assistant principal of Granite City high school, on an April 30-May 3 meeting in Detroit of the National Committee for Advancement of the Use of Data Processing Equipment. Computers of all types were displayed there.

"Federal financial help may be gained only through teaching students, and most schools started their computer centers by teaching introductory courses," Noeth related.

"Stressing the importance of an orderly plan for acquisition of such equipment," Noeth said, it was agreed that it should be "purchased in parts, starting with key punch machines, a verifier, a collator, a sorter and a printer, with only small increases of school administrative activity added each year."

"Teaching should be the foremost interest in the first year, while grade reporting and scheduling could be added the second year. Attendance and census could follow. The last item that is practical to add is the business applications."

"To handle financial accounting in a school computer center, the experts agreed that in a system our size it would not be economically feasible until the first equipment was in operation for five to seven years."

Army Pfc Lonnie Brown In 'Operation Manhattan'

Army Pfc Lonnie R. Brown 19, son of Mrs. Irene Freeman of Kaseberg Park, participated in "Operation Manhattan" in Vietnam in the Boi Loi and Ho Bo Woods near Dau Tieng. This was the first time the woods had been probed by a large force, and it resulted in the destruction of all Viet Cong fortifications found. The area was thought to be an organization and control point for VC terrorist activities. Pfc. Brown is a mechanic in Headquarters Company, 2nd Battalion of the 1st Infantry Division's 18th Infantry.
